

SENATE BILL NO. 244—SENATORS CEGAVSKE AND NOLAN

MARCH 13, 2009

Referred to Committee on Health and Education

SUMMARY—Revises provisions governing automated external defibrillators. (BDR 40-277)

FISCAL NOTE: Effect on Local Government: No.
Effect on the State: No.

~

EXPLANATION – Matter in ***bolded italics*** is new; matter between brackets [~~omitted material~~] is material to be omitted.

AN ACT relating to public health; requiring the Health Division of the Department of Health and Human Services, within the limitations of available funding, to establish and maintain a database of certain owners of automated external defibrillators for use in an emergency; providing for the registration of automated external defibrillators with the Health Division; requiring all public schools in this State to acquire automated external defibrillators under certain circumstances; providing for the placement of automated external defibrillators in medical facilities and health clubs in this State; providing a civil penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

1 **Section 3** of this bill: (1) requires the Health Division of the Department of
2 Health and Human Services to establish and maintain, within the limitations of
3 available funding, a database containing certain information concerning automated
4 external defibrillators in this State and to make the information in the database
5 available to each agency and facility that employs an emergency medical dispatcher
6 in this State; (2) authorizes an emergency medical dispatcher to disclose the
7 information in the database to any person for the purpose of providing emergency
8 medical care; (3) requires a manufacturer that sells an automated external
9 defibrillator for commercial use in this State to provide certain information to the
10 purchaser and the Health Division; (4) authorizes the owner of an automated
11 external defibrillator in this State to register the defibrillator with the Health
12 Division; and (5) provides for the imposition of civil penalties against
13 manufacturers for violations. **Section 4** of this bill requires the board of trustees of
14 each school district in this State, to the extent that money is available, to provide for
15 the placement of automated external defibrillators in certain locations. **Section 4**

* S B 2 4 4 *

16 also provides for the placement of automated external defibrillators in medical
17 facilities and health clubs in this State.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 **Section 1.** Chapter 450B of NRS is hereby amended by adding
2 thereto the provisions set forth as sections 2, 3 and 4 of this act.

3 **Sec. 2.** *As used in NRS 450B.600 and sections 2, 3 and 4 of
4 this act, unless the context otherwise requires, "automated
5 external defibrillator" or "defibrillator" means a medical device
6 that:*

7 *1. Has been approved by the United States Food and Drug
8 Administration;*

9 *2. Is capable of recognizing the presence or absence of
10 ventricular fibrillation and rapid ventricular tachycardia in a
11 patient;*

12 *3. Is capable of determining, without intervention by the
13 operator of the device, whether defibrillation should be performed
14 on a patient;*

15 *4. Upon determining that defibrillation should be performed
16 on a patient, automatically charges and requests delivery of an
17 electrical impulse to the patient's heart; and*

18 *5. Upon appropriate action by the operator of the device,
19 delivers an appropriate electrical impulse to the patient's heart.*

20 **Sec. 3. 1. The Health Division shall:**

21 *(a) Within the limitations of available funding, establish and
22 maintain a database containing:*

23 *(1) The name and address of each person who owns an
24 automated external defibrillator for commercial use in this State;*

25 *(2) If the defibrillator has been registered with the Health
26 Division pursuant to subsection 4, the name, street address and
27 telephone number of the business or organization that has placed
28 the defibrillator for use on its premises, and the specific location at
29 which the defibrillator is stored; and*

30 *(3) If the defibrillator has been registered with the Health
31 Division pursuant to subsection 5, the information concerning the
32 defibrillator that was required for registration by the Health
33 Division.*

34 *(b) Make the information in the database available to each
35 agency and facility that employs an emergency medical dispatcher
36 in this State.*

37 *(c) Apply for and accept any gifts, grants or donations to
38 establish the database.*

* S B 2 4 4 *

1 2. An emergency medical dispatcher may disclose the
2 information in the database to any person for the purpose of
3 providing emergency medical care.

4 3. A manufacturer that sells an automated external
5 defibrillator for commercial use in this State shall:

6 (a) Notify the purchaser in writing of the opportunity to
7 register the defibrillator pursuant to subsection 4;

8 (b) On or before January 10, April 10, July 10 and October 10
9 of each year, notify the Health Division of the name and address
10 of each person who purchased such a defibrillator from the
11 manufacturer during the immediately preceding 3 calendar
12 months; and

13 (c) Provide to each person who purchases such a defibrillator
14 from the manufacturer information regarding the installation,
15 use, maintenance and operation of the defibrillator and any
16 related training that is available.

17 4. A person who purchases an automated external
18 defibrillator for commercial use in this State may register the
19 defibrillator with the Health Division by providing the Health
20 Division with his name, street address and telephone number, the
21 name, street address and telephone number of the business or
22 organization on whose premises the defibrillator will be placed for
23 use, and the specific location at which the defibrillator will be
24 stored.

25 5. A person who owns an automated external defibrillator for
26 use in a private residence may register the defibrillator with the
27 Health Division by providing such information concerning the
28 defibrillator as required by the Health Division.

29 6. The Health Division may impose a civil penalty upon a
30 manufacturer of not more than \$500 for each violation of this
31 section by the manufacturer.

32 Sec. 4. 1. Except as otherwise provided in NRS 450B.600,
33 the board of trustees of each school district in this State, to the
34 extent that money is available, shall provide for the placement of
35 an automated external defibrillator in each public school in the
36 school district and at each athletic facility maintained by the
37 school district at a location that is separate from a public school.
38 Each defibrillator must be appropriate for use on children and
39 adults and be limited to use on school property and at school
40 events. The board of trustees may accept:

41 (a) The donation of a defibrillator that complies with the
42 standards established by the United States Food and Drug
43 Administration; and

44 (b) Gifts, grants and donations for use in obtaining, inspecting
45 and maintaining a defibrillator.

* S B 2 4 4 *

1 **2. Each medical facility and health club in this State may**
2 **provide for the placement of an automated external defibrillator in**
3 **a central location at the medical facility or health club.**

4 **3. Each school district, medical facility and health club that**
5 **provides for the placement of one or more automated external**
6 **defibrillators pursuant to this section shall:**

7 **(a) Ensure that each defibrillator is inspected and maintained**
8 **on a regular basis; and**

9 **(b) Require any employee who will use a defibrillator to**
10 **complete the training requirements of a course in basic emergency**
11 **care of a person in cardiac arrest that includes training in the**
12 **operation and use of an automated external defibrillator and is**
13 **conducted in accordance with the standards of the American**
14 **Heart Association, the American National Red Cross or any**
15 **similar organization.**

16 **4. As used in this section:**

17 **(a) "Health club" has the meaning ascribed to it in**
18 **NRS 598.9415.**

19 **(b) "Medical facility" means:**

20 **(1) A facility for hospice care as defined in NRS 449.0033;**
21 **(2) A facility for intermediate care as defined in**
22 **NRS 449.0038;**

23 **(3) A facility for skilled nursing as defined in**
24 **NRS 449.0039;**

25 **(4) A hospital as defined in NRS 449.012;**
26 **(5) An independent center for emergency medical care as**
27 **defined in NRS 449.013; or**

28 **(6) A surgical center for ambulatory patients as defined in**
29 **NRS 449.019.**

30 **(c) "School property" has the meaning ascribed to it in**
31 **NRS 701B.350.**

32 **Sec. 5. NRS 450B.600 is hereby amended to read as follows:**

33 **450B.600 1. Not later than July 1, 2004, and thereafter:**

34 **(a) The board of trustees of a school district in a county whose**
35 **population is 100,000 or more shall ensure that at least one**
36 **automated external defibrillator is placed in a central location at**
37 **each high school within the district.**

38 **(b) The Reno-Tahoe Airport Authority shall ensure that at least**
39 **three automated external defibrillators are placed in central locations**
40 **at the largest airport within the county.**

41 **(c) The board of county commissioners of each county whose**
42 **population is 400,000 or more shall ensure that at least seven**
43 **automated external defibrillators are placed in central locations at**
44 **the largest airport within the county.**

* S B 2 4 4 *

1 (d) The Board of Regents of the University of Nevada shall
2 ensure that at least two automated external defibrillators are placed
3 in central locations at each of:

4 (1) The largest indoor sporting arena or events center
5 controlled by the University in a county whose population is
6 100,000 or more but less than 400,000; and

7 (2) The largest indoor sporting arena or events center
8 controlled by the University in a county whose population is
9 400,000 or more.

10 (e) The Health Division shall ensure that at least one automated
11 external defibrillator is placed in a central location at each of the
12 following state buildings:

13 (1) The Capitol Building in Carson City;

14 (2) ~~The Kinkead Building in Carson City;~~

15 ~~(3)~~ The Legislative Building in Carson City; and

16 ~~(4)~~ (3) The Grant Sawyer Building in Las Vegas.

17 (f) The board of county commissioners of each county whose
18 population is 100,000 or more shall:

19 (1) Identify five county buildings or offices in each of their
20 respective counties which are characterized by large amounts of
21 pedestrian traffic or which house one or more county agencies that
22 provide services to large numbers of persons; and

23 (2) Ensure that at least one automated external defibrillator is
24 placed in a central location at each county building or office
25 identified pursuant to subparagraph (1).

26 2. Each governmental entity that is required to ensure the
27 placement of one or more automated external defibrillators pursuant
28 to subsection 1:

29 (a) May accept gifts, grants and donations for use in obtaining,
30 inspecting and maintaining the defibrillators;

31 (b) Shall ensure that those defibrillators are inspected and
32 maintained on a regular basis; and

33 (c) Shall encourage the entity where the automated external
34 defibrillator is placed to require any employee who will use the
35 automated external defibrillator to successfully complete the
36 training requirements of a course in basic emergency care of a
37 person in cardiac arrest that includes training in the operation and
38 use of an automated external defibrillator and is conducted in
39 accordance with the standards of the American Heart Association,
40 the American National Red Cross or any ~~other~~ similar
41 organization.

42 ~~B. As used in this section, "automated external defibrillator"~~
43 ~~means a medical device that:~~

44 ~~(a) Has been approved by the United States Food and Drug~~
45 ~~Administration;~~

* S B 2 4 4 *

- 1 (b) Is capable of recognizing the presence or absence, in a
2 patient, of ventricular fibrillation and rapid ventricular tachycardia;
3 (c) Is capable of determining, without intervention by the
4 operator of the device, whether defibrillation should be performed
5 on the patient;
6 (d) Upon determining that defibrillation should be performed,
7 automatically charges and requests delivery of an electrical impulse
8 to the patient's heart; and
9 (e) Upon action by the operator of the device, delivers to the
10 patient's heart an appropriate electrical impulse.]
