19        **(b) Materials approved or cleared for any purpose by the  
20 United States Food and Drug Administration or other applicable  
21 agency or authority.**

22      **Sec. 6.** *Notwithstanding any other provision of law, any  
23 department, commission, board or agency of a state or local  
24 government, including, without limitation, a state professional  
25 board, shall not:*

26       **1. Except as otherwise provided in subsection 2 of section 9 of  
27 this act and subsection 2 of section 11 of this act, regulate the  
28 activities authorized by sections 2 to 11, inclusive, of this act; or**

29       **2. Take disciplinary action or impose civil or criminal  
30 liabilities or penalties against a person for engaging in an activity  
31 authorized by sections 2 to 11, inclusive, of this act.**

32      **Sec. 7.** *Nothing in sections 2 to 11, inclusive, of this act shall  
33 be construed to indicate the status of any of the activities  
34 authorized pursuant to sections 2 to 11, inclusive, of this act as  
35 regards federal law.*

36      **Sec. 8. 1. Notwithstanding any other provision of law, a  
37 cell or tissue bank may operate in this State.**

38       **2. As used in this section, “cell or tissue bank” means a  
39 facility that stores nonembryonic cells or tissues, or both.**

40      **Sec. 9. Notwithstanding any other provision of law,  
41 nonembryonic cells may be administered to a person by:**

42       **1. That person himself; or**

\* S B 2 7 3 \*

1       **2. A person licensed or authorized in this State to administer  
2 or assist in the administration of medicine or health care to others  
3 if the mode of delivery used by the person to deliver the  
4 nonembryonic cells is a mode of delivery permitted under the  
5 person's license or authorization.**

6       **Sec. 10. Notwithstanding any other provision of law:**

7       **1. A drug, medicine or health product may be compounded  
8 using as an ingredient, by itself or with other ingredients,  
9 nonembryonic cells; and**

10      **2. A pharmacy that compounds a drug, medicine or health  
11 product described in subsection 1 may be owned or operated, or  
12 both, in this State.**

13      **Sec. 11. Notwithstanding any other provision of law:**

14      **1. A person may import into this State any compound, drug  
15 or other treatment containing nonembryonic cells if:**

16      **(a) The compound, drug or other treatment was obtained  
17 without violating the laws of the jurisdiction in which it was  
18 obtained; and**

19      **(b) The compound, drug or other treatment is for personal use.**

20      **2. A person who is licensed or authorized in this State to  
21 administer or assist in the administration of medicine or health  
22 care to others may administer or assist in the administration of, to  
23 a person described in subsection 1, the imported compound, drug  
24 or other treatment if the mode of delivery used to deliver the  
25 nonembryonic cells by the person who is licensed or authorized in  
26 this State is a mode of delivery permitted under the person's  
27 license or authorization.**

28      **Sec. 12. This act becomes effective on July 1, 2009.**
