

Senate Bill No. 28—Committee on Energy,  
Infrastructure and Transportation

CHAPTER.....

AN ACT relating to public safety; revising reporting requirements concerning missing persons and unidentified dead bodies; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

**Section 2** of this bill deletes the requirement that a dentist who makes a dental examination of an unidentified dead body forward the record of the dental examination to the Investigation Division and the Central Repository and instead requires the dentist to forward the record to the coroner, who is required to enter that information into the computer for the National Crime Information Center. **Section 2** also deletes the requirement that a sheriff, chief of police or other law enforcement agency transmit to the Investigation Division and to the Central Repository certain information concerning a person missing under suspicious circumstances. In addition, **section 2** deletes the requirements that the Investigation Division and the Central Repository maintain records to assist in the identification of dead bodies and provide such records to the State Disaster Identification Team of the Division of Emergency Management of the Department of Public Safety upon request.
