EXPLANATION – Matter in *bolded italics* is new; matter between brackets [omitted material] is material to be omitted.

AN ACT relating to off-highway vehicles; requiring certain owners of off-highway vehicles to obtain certificates of title and registration for those vehicles; requiring the Department of Motor Vehicles to charge and collect certain fees; creating the Fund for Off-Highway Vehicles; creating the Commission on Off-Highway Vehicles; creating the Revolving Account for the Administration of Off-Highway Vehicle Titling and Registration as a special account in the Motor Vehicle Fund; eliminating the requirement that certain persons obtain certificates of operation before operating off-highway vehicles; providing for the licensing of dealers, manufacturers and lessors of off-highway vehicles and for the consignment of off-highway vehicles; making various other changes relating to off-highway vehicles; providing penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

- 1 Existing law prohibits a person from operating an off-highway vehicle on a
- 2 highway in this State unless the person has obtained a certificate of operation for
- 3 the off-highway vehicle and has attached the certificate of operation to the off-
- 4 highway vehicle in the manner specified by the Department of Taxation. (NRS
- 5 490.080) The term "off-highway vehicle" means any motor vehicle that is designed
- 6 primarily for off-highway and all-terrain use, including, without limitation, an

* S B 3 9 4 R 2 *

all-terrain vehicle, an all-terrain motorcycle, a dune buggy, a snowmobile or any motor vehicle used for recreational purposes on public lands. (NRS 490.060)

Existing law requires an authorized dealer of off-highway vehicles to issue a certificate of operation for the off-highway vehicle upon the sale of the vehicle or upon request by a person who purchased the vehicle outside this State under certain circumstances. (NRS 490.070)

With limited exceptions, **section 12** of this bill requires a person who acquires ownership of an off-highway vehicle on or after the effective date of that section as provided in paragraph (b) of subsection 2 of **section 63** of this act to apply to the Department of Motor Vehicles for the titling and annual registration of the vehicle within 30 days after acquiring ownership of the vehicle. A person who acquired ownership of an off-highway vehicle before the effective date of **section 12** as provided in paragraph (b) of subsection 2 of **section 63** of this act may apply to the Department for the titling of the vehicle, but is required to apply to the Department for annual registration of the vehicle within 1 year after that date.

Section 15 of this bill creates the Fund for Off-Highway Vehicles in the State Treasury. A portion of the money received from the fees collected pursuant to **section 12** of this bill must be deposited into the Fund. All money deposited into the Fund must be used only for projects relating to off-highway vehicles as set forth in **section 15**.

Section 16 of this bill creates the Commission on Off-Highway Vehicles. The Commission consists of 11 members who are appointed by the Governor. Each member of the Commission serves for a term of 3 years and, if money is available from the Fund for Off-Highway Vehicles, is entitled to receive the per diem allowance and travel expenses provided to state officers and employees.

Section 17 of this bill imposes various duties upon the Commission, including, without limitation, the duty to select nonvoting advisers to the Commission and to adopt regulations for awarding grants from the Fund for Off-Highway Vehicles.

Section 59 of this bill, in part, repeals the provisions of NRS 490.030, which define the term "Department" for purposes of chapter 490 of NRS to mean the Department of Taxation. Because NRS 481.015 defines the term "Department" for purposes of title 43 of NRS to mean the Department of Motor Vehicles, the effect of the repeal of NRS 490.030 and the amendment of NRS 481.015 set forth in **section 1** of this bill is to place the authority to administer the provisions of chapter 490 of NRS under the Department of Motor Vehicles.

Sections 20-52 of this bill provide for the licensing of manufacturers, dealers and lessors of off-highway vehicles and for the consignment of off-highway vehicles.
