Legislative Counsel’s Digest:

1 **Section 1** of this bill defines “national examination” to mean the Examination
2 for Professional Practice in Psychology in the form administered by the Association
3 of State and Provincial Psychology Boards and approved for use in this State by the
4 Board of Psychological Examiners.

5 **Section 3** of this bill revises the requirements for an application for a license to
6 practice psychology in this State to add the submission of a complete set of
7 fingerprints and written permission authorizing the Board to forward the
8 fingerprints to the Central Repository for Nevada Records of Criminal History for
9 submission to the Federal Bureau of Investigation for its report or verification that
10 the set of fingerprints was directly forwarded to the Central Repository by the entity
11 taking the prints.
