EXPLANATION – Matter in *bolded italics* is new; matter between brackets [omitted material] is material to be omitted.

AN ACT relating to transportation; revising certain provisions governing the issuance and renewal of drivers' licenses and identification cards; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Sections 11, 26 and 33 of this bill require that an applicant for a commercial or noncommercial driver's license or an identification card furnish to the Department proof of his address by displaying at least two of the documents prescribed by the Department by regulation. **Sections 11, 26 and 33** also require that an applicant provide to the Department proof that he is authorized to live in the United States and proof of his social security number or, if he does not have a social security number, proof that he is not eligible to receive a social security number.

Sections 11, 26 and 33 of this bill further authorize the Department to issue a commercial or noncommercial driver's license or an identification card to a person who does not have the requisite documentation.

Existing law requires that the Department adopt regulations prescribing the information that must be contained on noncommercial drivers' licenses and identification cards. (NRS 483.340, 483.840) **Sections 3, 4 and 5** of this bill require that, with limited exceptions, the address of a person be included on his commercial or noncommercial driver's license or identification card.

With limited exceptions, **sections 19, 22 and 33** of this bill require that the Department maintain for at least 10 years digital images of applications for commercial and noncommercial drivers' licenses and identification cards and the documents that applicants furnish to the Department which prove identity, age, address and social security number and prove that the person is lawfully entitled to live in the United States.

* S B 5 2 R 1 *

Existing law requires that an applicant for a driver's license or identification card surrender to the Department all valid drivers' licenses and identification cards in his possession. The Department is required to return surrendered licenses and identification cards to the jurisdiction that issued them. (NRS 483.230, 483.850) Sections 10 and 25 of this bill instead require that the Department notify the other jurisdiction that the applicant has surrendered his license or identification card.

Sections 1 and 9 of this bill amend the definition of "resident" so that a person who is a nonresident of this State may not declare himself to be a resident of this State to obtain privileges not ordinarily extended to nonresidents. (NRS 482.103, 483.141)

Existing law requires that the Department issue a driver's license with a specially colored background to a person who suffers from diabetes or epilepsy. (NRS 483.348) Sections 12-15, 23, 24 and 27 of this bill require instead that the Department adopt by regulation a program for the imprinting of a symbol or other indicator of a medical condition on a noncommercial driver's license or identification card.
