AN ACT relating to revenue and taxation; revising provisions governing the authorized uses of money in a school district mitigation fund; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

1 Existing law provides that each county school district that receives a portion of  
2 the money from a tax levied on the net proceeds of minerals in the county may set  
3 aside a portion of the amount received to establish a fund to mitigate the adverse  
4 effects resulting from a decline in revenue received from the tax during the  
5 immediately preceding 2 years or from the opening or closing of an extractive  
6 operation in the county. (NRS 362.170, 362.171) This bill revises provisions  
7 governing the mitigation fund by removing the requirement that a decline from the  
8 tax on net proceeds occur during the immediately preceding 2 years and by  
9 expanding the authorized uses of money in the mitigation fund to include expenses  
10 resulting from a natural disaster. This bill also expands the purposes for which  
11 school districts in counties with a population of less than 5,000 (currently  
12 Esmeralda, Eureka, Lincoln and Storey Counties) are authorized to use money in  
13 the mitigation fund to include retiring outstanding debt and continuing certain  
14 instructional programs.

6 only to mitigate adverse effects upon the county, or the school  
7 district located in the county, which result from:

9 on the net proceeds of minerals during the 2 fiscal years  
10 immediately preceding the current fiscal year; or

11     (b) The opening or closing of an extractive operation from the  
12 net proceeds of which revenue has been or is reasonably expected to  
13 be derived pursuant to this chapter.

15 county pursuant to subsection 2 of NRS 362.170 may set aside a

35 outstanding obligations of the school district; and

36       (b) To continue the instructional programs of the school

38 those instructional programs, which would otherwise be reduced  
39 or eliminated if not for the provisions of this section.

41 subsection, the board of trustees shall hold at least one public
