SENATE CONCURRENT RESOLUTION—Providing for an interim study on employee misclassifications.

1 WHEREAS, Certain employers in Nevada may improperly  
2 classify persons they hire as “independent contractors,” when those  
3 workers should be classified legally as “employees”; and

4 WHEREAS, The practice of employee misclassification can be an  
5 attempt by some employers to avoid their legal obligations under  
6 federal and state labor, employment and tax laws, including the laws  
7 governing minimum wage, overtime, unemployment insurance,  
8 workers’ compensation insurance, temporary disability insurance,  
9 wage payment and federal income tax; and

10 WHEREAS, The practice of employee misclassification has  
11 serious adverse effects on the residents, businesses and economy of  
12 Nevada because this practice: (1) increases the uncertainty of  
13 collecting unemployment taxes; (2) unfairly shifts the tax burden to  
14 the overwhelming majority of Nevada employers who adhere to  
15 federal and state labor laws; (3) allows employers who misclassify  
16 their employees an unfair competitive advantage over law-abiding  
17 businesses; and (4) undermines fundamental laws intended to ensure  
18 employees receive legally required employment insurance, workers’  
19 compensation and other workplace protections; now, therefore, be it

3 legal recourse for affected employees; and be it further

5 members as follows:  
6 1. One member of the Senate;  
7 2. One member of the Assembly;

12 report of the results of the study and any recommendations for  
13 legislation to the 76th Session of the Nevada Legislature.
