SENATE CONCURRENT RESOLUTION—Providing for the Interim Finance Committee to conduct a review of Nevada's revenue structure and to provide long-term stabilization of revenue.

1        WHEREAS, A prolonged recession has left Nevada with a large  
2 general fund deficit; and

3        WHEREAS, Nevada's existing state revenue sources are  
4 insufficient to fund essential state services such as education, health  
5 and human services and public safety programs; and

6        WHEREAS, Nevada's 2009-2011 budget includes nonrecurring  
7 federal stimulus funds and tax revenues that will sunset on June 30,  
8 2011; and

9        WHEREAS, It is essential that the State in the future have a  
10 stable, equitable, transparent and competitive revenue system; and

11        WHEREAS, It is vital that policymakers not be unduly  
12 constrained by the current distribution of public revenues or the  
13 current mixture of public revenue sources in making decisions  
14 regarding the State's fiscal system; and

15        WHEREAS, It is in the best interest of Nevada that the State's  
16 revenue system reflect the long-term needs of the State, the diversity  
17 of Nevada's economy and nationally recognized best practices; now,  
18 therefore, be it

1       RESOLVED BY THE SENATE OF THE STATE OF NEVADA, THE  
2 ASSEMBLY CONCURRING, That the Interim Finance Committee  
3 shall appoint a Subcommittee to conduct a review of Nevada's  
4 revenue structure and to provide long-term stabilization of revenue.  
5 The Subcommittee shall carry out the following functions:

6       1. Review proposals for broad-based taxes which are fair and  
7 equitable;

8       2. Examine strategies for mitigating tax burdens on both  
9 businesses and consumers, including reductions, if possible, in  
10 existing taxes, both state and local;

11      3. Consider the public's willingness to having existing taxes  
12 be decreased as other tax revenues become available;

13      4. Using current statistical information, propose strategies and  
14 recommendations to advance the State of Nevada in nationwide  
15 rankings in key quality-of-life areas, including education, health and  
16 human services, public safety, economic diversification, job  
17 creation, transit and energy use; and

18      5. Develop a quality-of-life vision for the State of Nevada for  
19 a 5-year period, a 10-year period and a 20-year period; and be it  
20 further

21      RESOLVED, That the Subcommittee shall appoint a Nevada  
22 Vision Stakeholder Group, with members selected from a list of  
23 names submitted by community and statewide groups involved in  
24 business, education, health care, human services, economic  
25 development, transit and energy, or any other groups deemed  
26 appropriate by the Subcommittee, to assist in developing 5-year, 10-  
27 year and 20-year strategic plans for improving the State's quality of  
28 life; and be it further

29      RESOLVED, That the Interim Finance Committee shall, through  
30 competitive bidding, retain the services of a qualified, independent  
31 consultant to review Nevada's public revenue structure and make  
32 recommendations to the Interim Finance Committee relating to:

33       1. The allocation of revenue from taxation and other sources  
34 between the State and local governments;

35       2. The adequacy of the revenue sources of the State and local  
36 governments and each level of government in supplying sufficient  
37 revenue for the services provided by the respective governments and  
38 governmental agencies;

39       3. The relative stability of the revenue sources of the State and  
40 local governments and each level of government and each  
41 governmental agency;

42       4. The degree to which the revenue sources of the State and  
43 local governments reflect the current economic activity of the State;

\* S C R 3 7 \*

1       5. The degree to which the revenue sources of the State and  
2 local governments are representative of the way business is  
3 conducted today relative to administration and compliance;

4       6. The extent to which the earmarking of various revenue  
5 sources has removed flexibility in efficiently allocating those  
6 revenue sources;

7       7. The extent to which the revenue sources of state and local  
8 governmental agencies increase in proportion to increased  
9 population and the corresponding increased demand for the services  
10 provided by the respective governments and governmental agencies;

11      8. Any recommendations to improve the equity of the  
12 allocation of revenue and the stability of the sources of revenue for  
13 State Government and the various local governmental entities and  
14 changes which will improve the flexibility, collection and  
15 administration of existing revenue sources; and

16      9. Any other matters that the Interim Finance Committee  
17 deems necessary to improve the equity, stability, transparency and  
18 competitiveness of the State's tax system; and be it further

19      RESOLVED, That in conjunction with the revenue stabilization  
20 study process, the consultant shall:

21       1. Collect independent data on Nevada's national rankings in  
22 quality-of-life areas; and

23       2. Coordinate with the Nevada Vision Stakeholder Group to  
24 develop strategies to advance Nevada's national standing in critical  
25 quality-of-life areas; and be it further

26      RESOLVED, That the consultant shall deliver a report of his  
27 findings concerning revenue stabilization to the Interim Finance  
28 Committee on or before July 1, 2010, which must include specific  
29 recommendations as well as the impact of implementing those  
30 recommendations on the State, local governments and various types  
31 of businesses, including, without limitation, large and small  
32 businesses, capital-intensive and labor-intensive businesses and  
33 high-margin and low-margin businesses and as well the impact on  
34 the general population; and be it further

35      RESOLVED, That the consultant shall deliver a report of his  
36 findings concerning quality-of-life areas to the Interim Finance  
37 Committee on or before July 1, 2010, including, without limitation,  
38 proposed strategies and recommendations from the Nevada Vision  
39 Stakeholder Group in key areas such as education, health and human  
40 services, public safety, economic diversification, job creation, transit  
41 and energy use; and be it further

42      RESOLVED, That the Interim Finance Committee shall allocate  
43 money from the Contingency Fund to pay for the services of the  
44 consultant; and be it further

\* S C R 3 7 \*

1       RESOLVED, That the Interim Finance Committee shall hold at  
2 least two public hearings to evaluate the findings of the consultant;  
3 and be it further

4       RESOLVED, That the Subcommittee shall create a Technical  
5 Working Group consisting of the Senate Fiscal Analyst, the  
6 Assembly Fiscal Analyst, the Chief of the Budget Division of  
7 the Department of Administration, the Executive Director of the  
8 Department of Taxation, the Vice Chancellor of Finance of the  
9 Nevada System of Higher Education, the Deputy Superintendent of  
10 Administrative and Fiscal Services of the Department of Education  
11 and the Chairman of the Committee on Local Government Finance;  
12 and be it further

13      RESOLVED, That the Subcommittee shall direct the Technical  
14 Working Group to ensure that the State is prepared to implement, on  
15 or before July 1, 2011, revenue stabilization recommendations  
16 accepted and forwarded by the Subcommittee; and be it further

17      RESOLVED, That the Technical Working Group shall undertake  
18 any work necessary to ensure the State's readiness to implement  
19 required modifications to the State's existing revenue system,  
20 including, without limitation, any upgrade or replacement of  
21 equipment or software required for such a modification; and be it  
22 further

23      RESOLVED, That, upon recommendation of the Subcommittee,  
24 the Executive Director of the Department of Taxation may request  
25 an allocation from the Contingency Fund pursuant to NRS 353.266,  
26 353.268 and 353.269 to acquire a technologically sound computer  
27 system necessary for the collection or allocation of taxes in the  
28 State; and be it further

29      RESOLVED, That the Interim Finance Committee shall, on or  
30 before October 1, 2010, submit a report of the results of its review  
31 and any recommendations for legislation to the Governor and the  
32 Director of the Legislative Counsel Bureau for transmittal to the  
33 76th Session of the Nevada Legislature.
