AN ACT relating to police departments; revising provisions governing the membership of a metropolitan police committee on fiscal affairs; revising provisions governing negotiations between metropolitan police departments and their employees; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires that each representative of a political subdivision that participates on a metropolitan police committee on fiscal affairs must be a member of the governing body of the political subdivision and serves at the pleasure of the governing body making the appointment. (NRS 280.130) **Section 2** of this bill provides instead that each member of the committee serves for a term of 2 years and may be removed at any time for cause by the governing body which appointed the member. **Section 2** also increases the compensation of the general public member of the committee from \$40 for each day of service to \$80 for each day of service.

Existing law requires that in negotiations arising under chapter 288 of NRS between a metropolitan police department and its employees, the department must be represented by a metropolitan police committee on fiscal affairs or two persons designated by the committee and by the sheriff or a person designated by him. (NRS 280.320) **Section 3** of this bill provides instead that the department must be represented solely by the sheriff or one or more persons designated by him, but requires the committee to designate one representative from each participating political subdivision to monitor the negotiations. **Section 3** also requires the sheriff to submit any tentative agreement reached in the negotiations to the committee for its approval.
