**Legislative Counsel's Digest:**

Under existing law, a board of county commissioners cannot begin the organization of a general improvement district that includes any real property within 7 miles from the boundary of an incorporated city or unincorporated town unless one of four conditions is met. (NRS 318.055) This bill allows a board of county commissioners to begin the organization of a general improvement district that includes real property within 7 miles from the boundary of an unincorporated town with a town advisory board or citizens' advisory council without meeting one of the four existing conditions.

Section 1. NRS 318.055 is hereby amended to read as follows:

(a) A resolution adopted by the board of county commissioners;

1 ordinance by the board of county commissioners, which is in this  
2 chapter sometimes designated the “initiating ordinance.” No  
3 initiating ordinance may be adopted by the board of county  
4 commissioners if the proposed district includes any real property  
5 within 7 miles from the boundary of an incorporated city or  
6 unincorporated town unless:

7       (a) All members of the board of county commissioners  
8 unanimously vote for the organization of a district with boundaries  
9 which contravene this 7-mile limitation;

10     (b) A petition for annexation to or inclusion within the  
11 incorporated city or unincorporated town of that property has first  
12 been filed with the governing body of the incorporated city or  
13 unincorporated town pursuant to law and the governing body thereof  
14 has refused to annex or include that property and has entered the  
15 fact of that refusal in its minutes;

16     (c) No part of the area within the district is eligible for inclusion  
17 in a petition for such an annexation; ~~for~~

18     (d) The governing body of the incorporated city or the town  
19 board of the unincorporated town, by resolution, consents to the  
20 formation of the district ~~H~~; or

21     (e) *That property is within 7 miles of an unincorporated town  
22 with a town advisory board or citizens' advisory council but is not  
23 within 7 miles of an incorporated city or unincorporated town with  
24 a town board.*

25     3. Except as is otherwise provided in this chapter, a district  
26 may be entirely within or entirely without, or partly within and  
27 partly without, one or more municipalities or counties, and the  
28 district may consist of noncontiguous tracts or parcels of property.

29     4. The initiating ordinance must set forth:

30       (a) The name of the proposed district, consisting of a chosen  
31 name preceding the word “District,” or, if the district is authorized  
32 to exercise more than one basic power, the words “General  
33 Improvement District.” If a district’s name as provided in the  
34 organizational proceedings does not include the words “General  
35 Improvement,” and if subsequently any additional basic power is  
36 granted to the district pursuant to NRS 318.077, the board of county  
37 commissioners may redesignate the district with a chosen name  
38 preceding the words “General Improvement District.”

39       (b) A statement of the basic power or basic powers for which the  
40 district is proposed to be created (for instance, by way of  
41 illustration, “for paving, curb and gutters, sidewalks, storm drainage  
42 and sanitary sewer improvements within the district”). The basic  
43 power or basic powers stated in the initiating ordinance must be one  
44 or more of those authorized in NRS 318.116, as supplemented by  
45 the sections of this chapter designated therein.

\* A B 1 6 8 \*

1       (c) A statement that the ordinance creating the district will be  
2 based on the board's finding:

3           (1) That public convenience and necessity require the  
4 creation of the district;

5           (2) That the creation of the district is economically sound  
6 and feasible;

7           (3) That the service plan for the district conforms to  
8 subsection 1 of NRS 308.030; and

9           (4) That the service plan for the district does not contravene  
10 any of the criteria enumerated in subsection 1 of NRS 308.060.

11          (d) A general description of the boundaries of the district or the  
12 territory to be included therein, with such certainty as to enable an  
13 owner of property to determine whether his or her property is within  
14 the district.

15          (e) The place and time for the hearing on the creation of the  
16 district.
