AN ACT relating to unarmed combat; providing for the collection of additional fees on each ticket sold for admission to a live professional contest of unarmed combat to fund the payment of medical expenses for retired contestants; requiring the Nevada Athletic Commission to adopt regulations governing such payments; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

Existing law imposes certain fees on each ticket sold for admission to a live professional contest of unarmed combat and provides that the fees are to be used to award grants to organizations which promote amateur contests or exhibitions of unarmed combat. (NRS 467.108) This bill increases the required regular fee from \$1.00 to \$2.00 for each ticket sold if the gross receipts from admission fees to the contest of unarmed combat are \$500,000 or more and increases the alternative fee that may be charged in lieu of the regular fee from \$0.50 to \$1.00 for each ticket sold if the gross receipts are less than \$500,000. This bill also provides that the additional fees are required to be used by the Nevada Athletic Commission to assist with medical expenses for injuries sustained during the career of retired contestants who engaged in unarmed combat for remuneration. Finally, this bill requires the Commission to adopt regulations specifying the qualifications for applying for and receiving payments for such medical expenses.
