EXPLANATION – Matter in ***bolded italics*** is new; matter between brackets **[omitted material]** is material to be omitted.

AN ACT relating to administrative procedure; exempting the judicial review of decisions of the Public Utilities Commission of Nevada from the requirements of the Nevada Administrative Procedure Act; revising provisions governing the procedure for the judicial review of decisions of the Commission; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

1 Existing law provides that the provisions of chapter 703 of NRS that relate to
2 the judicial review of decisions of the Public Utilities Commission of Nevada
3 prevail over the general provisions of the Nevada Administrative Procedure Act,
4 which is contained in chapter 233B of NRS. (NRS 233B.039) **Section 1** of this bill
5 removes that existing provision and instead provides that the provisions of the
6 Nevada Administrative Procedure Act do not apply to the judicial review of
7 decisions of the Commission.

8 Existing law also sets forth provisions relating to the procedure for the judicial
9 review of decisions of the Commission. (NRS 703.373) **Section 1.7** of this bill
10 revises various provisions relating to that procedure and: (1) requires a party
11 seeking judicial review to exhaust all administrative remedies before the party is
12 entitled to seek judicial review of a final decision of the Commission; (2) specifies
13 certain periods in which certain documents must be filed with the court and served
14 upon the parties involved in the judicial review; and (3) provides that a final
15 decision of the Commission is deemed reasonable and lawful until reversed or set
16 aside in whole or in part by the court.
