EXPLANATION – Matter in ***bolded italics*** is new; matter between brackets **[omitted material]** is material to be omitted.

AN ACT relating to school districts; revising the provisions regarding the establishment and maintenance of a reserve account for payment of the outstanding bonds of a school district; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, the board of trustees of a school district may issue certain general obligation bonds. At the time the bonds are issued, the board of trustees must establish in its debt service fund a reserve account for payment of the outstanding bonds of the school district. (NRS 350.020) This bill changes the amount of the reserves required to 10 percent of the outstanding principal or 25 percent, for larger counties, and 50 percent, for smaller counties, of the amount of principal and interest payments due on all outstanding bonds of the school district in the next fiscal year, whichever is less.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 **Section 1.** NRS 350.020 is hereby amended to read as follows:
2 350.020 1. Except as otherwise provided by subsections 3
3 and 4, if a municipality proposes to issue or incur general
4 obligations, the proposal must be submitted to the electors of the
5 municipality at a special election called for that purpose or the next
6 general municipal election or general state election.

7 2. Such a special election may be held:

8 (a) At any time, including, without limitation, on the date of a
9 primary municipal election or a primary state election, if the
10 governing body of the municipality determines, by a unanimous
11 vote, that an emergency exists; or

12 (b) On the first Tuesday after the first Monday in June of an
13 odd-numbered year.

14 → The determination made by the governing body is conclusive
15 unless it is shown that the governing body acted with fraud or a
16 gross abuse of discretion. An action to challenge the determination
17 made by the governing body must be commenced within 15 days
18 after the governing body's determination is final. As used in this
19 subsection, "emergency" means any occurrence or combination of
20 occurrences which requires immediate action by the governing body
21 of the municipality to prevent or mitigate a substantial financial loss
22 to the municipality or to enable the governing body to provide an
23 essential service to the residents of the municipality.

24 3. If payment of a general obligation of the municipality is
25 additionally secured by a pledge of gross or net revenue of a project
26 to be financed by its issue, and the governing body determines, by
27 an affirmative vote of two-thirds of the members elected to the
28 governing body, that the pledged revenue will at least equal the
29 amount required in each year for the payment of interest and
30 principal, without regard to any option reserved by the municipality
31 for early redemption, the municipality may, after a public hearing,
32 incur this general obligation without an election unless, within 90
33 days after publication of a resolution of intent to issue the bonds, a
34 petition is presented to the governing body signed by not less than 5
35 percent of the registered voters of the municipality. Any member
36 elected to the governing body whose authority to vote is limited by
37 charter, statute or otherwise may vote on the determination required
38 to be made by the governing body pursuant to this subsection. The
39 determination by the governing body becomes conclusive on the last
40 day for filing the petition. For the purpose of this subsection, the
41 number of registered voters must be determined as of the close of
42 registration for the last preceding general election. The resolution of

1 intent need not be published in full, but the publication must include
2 the amount of the obligation and the purpose for which it is to be
3 incurred. Notice of the public hearing must be published at least 10
4 days before the day of the hearing. The publications must be made
5 once in a newspaper of general circulation in the municipality.
6 When published, the notice of the public hearing must be at least as
7 large as 5 inches high by 4 inches wide.

8 4. The board of trustees of a school district may issue general
9 obligation bonds which are not expected to result in an increase in
10 the existing property tax levy for the payment of bonds of the school
11 district without holding an election for each issuance of the bonds if
12 the qualified electors approve a question submitted by the board of
13 trustees that authorizes issuance of bonds for a period of 10 years
14 after the date of approval by the voters. If the question is approved,
15 the board of trustees of the school district may issue the bonds for a
16 period of 10 years after the date of approval by the voters, after
17 obtaining the approval of the debt management commission in the
18 county in which the school district is located and, in a county whose
19 population is 100,000 or more, the approval of the oversight panel
20 for school facilities established pursuant to NRS 393.092 in that
21 county, if the board of trustees of the school district finds that the
22 existing tax for debt service will at least equal the amount required
23 to pay the principal and interest on the outstanding general
24 obligations of the school district and the general obligations
25 proposed to be issued. The finding made by the board of trustees is
26 conclusive in the absence of fraud or gross abuse of discretion. As
27 used in this subsection, "general obligations" does not include
28 medium-term obligations issued pursuant to NRS 350.087 to
29 350.095, inclusive.

30 5. At the time of issuance of bonds authorized pursuant to
31 subsection 4, the board of trustees shall establish a reserve account
32 in its debt service fund for payment of the outstanding bonds of the
33 school district. The reserve account must be established and
34 maintained in an amount at least equal to the lesser of :

35 (a) *For a school district located in a county whose population
36 is 100,000 or more, twenty-five percent; and*

37 (b) *For a school district located in a county whose population
38 is less than 100,000, fifty percent,*

39 ↳ *of the amount of principal and interest payments due on all of the
40 outstanding bonds of the school district in the next fiscal year or 10
41 percent of the outstanding principal amount of the outstanding
42 bonds of the school district.*

43 6. If the amount in the reserve account falls below the amount
44 required by ~~[this subsection.]~~ subsection 5:

* A B 1 8 3 *

1 (a) The board of trustees shall not issue additional bonds
2 pursuant to subsection 4 until the reserve account is restored to the
3 level required by ~~this subsection;~~ subsection 5; and

4 (b) The board of trustees shall apply all of the taxes levied by
5 the school district for payment of bonds of the school district that
6 are not needed for payment of the principal and interest on bonds of
7 the school district in the current fiscal year to restore the reserve
8 account to the level required pursuant to ~~this subsection;~~
9 subsection 5.

10 ~~6.~~ 7. A question presented to the voters pursuant to
11 subsection 4 may authorize all or a portion of the revenue generated
12 by the debt rate which is in excess of the amount required:

13 (a) For debt service in the current fiscal year;

14 (b) For other purposes related to the bonds by the instrument
15 pursuant to which the bonds were issued; and

16 (c) To maintain the reserve account required pursuant to
17 subsection 5,

18 → to be transferred to the county school district's fund for capital
19 projects established pursuant to NRS 387.328 and used to pay the
20 cost of capital projects which can lawfully be paid from that fund.
21 Any such transfer must not limit the ability of the school district to
22 issue bonds during the period of voter authorization if the findings
23 and approvals required by subsection 4 are obtained.

24 ~~7.~~ 8. A municipality may issue special or medium-term
25 obligations without an election.

26 **Sec. 2.** This act becomes effective upon passage and approval.
