EXPLANATION – Matter in ***bolded italics*** is new; matter between brackets [~~omitted material~~] is material to be omitted.

AN ACT relating to the Nevada Rural Housing Authority; revising the definition of “local government” to include the Authority for the purpose of loans from a local government to the Authority; revising the manner in which a commissioner of the Authority is appointed; authorizing the Authority to receive a loan from a local government; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Under existing law, before a local government may make an interfund loan or loan of money to another local government, the governing body of the local government that wishes to make the loan must determine at a public hearing that a sufficient amount of unrestricted money is available for the loan and that the loan will not compromise the economic viability of the fund from which the money is loaned. The local government must also establish at the public hearing: (1) the amount of time the money will be on loan from the fund; (2) the terms and conditions for repaying the loan; and (3) the rate of interest, if any, to be charged for the loan. (NRS 354.6118) For the purpose of making such a loan, the term “local government” does not include the Nevada Rural Housing Authority. (NRS 354.474) Existing law confers upon the Nevada Rural Housing Authority the authority to engage in various activities relating to the purposes for which the Authority was created, including, without limitation, the authority to enter into agreements or other transactions with any governmental agency or other source to further those purposes. (NRS 315.983)

Section 1 of this bill revises the definition of “local government” to include the Nevada Rural Housing Authority for the sole purpose of loans from a local government to the Authority in accordance with existing law. Section 3 of this bill

19 expands the authorized actions of the Nevada Rural Housing Authority to include
20 receipt by the Authority of such a loan of money from a local government.

21 Existing law provides for the appointment of five commissioners to serve as
22 members of the Nevada Rural Housing Authority. Of those five commissioners,
23 one commissioner must be appointed jointly by the Nevada League of Cities and
24 the Nevada Association of Counties and must be a recipient of assistance from the
25 Authority. That commissioner must be selected from a list of at least five nominees
26 submitted to the Authority by an organization that represents tenants of housing
27 projects or, if such an organization does not exist, by persons who receive
28 assistance from the Authority. If the commissioner ceases to receive assistance
29 from the Authority, he or she must be replaced by a person who receives such
30 assistance. (NRS 315.977) **Section 2** of this bill revises the requirements for
31 appointing that commissioner by providing that he or she must be selected from a
32 list of three eligible nominees submitted to the Authority by the Executive Director
33 of the Authority and by providing that, if the commissioner no longer receives
34 assistance from the Authority, he or she may continue to serve as a commissioner
35 for the remainder of the unexpired term for which he or she was appointed if he or
36 she resides within the area of operation of the Authority. **Section 5** of this bill
37 ensures that the commissioner who was appointed by the Nevada League of Cities
38 and the Nevada Association of Counties before July 1, 2011, may continue to serve
39 as a commissioner for the remainder of his or her term.

40 Existing law authorizes the Authority to operate in any area of this State which
41 is not included within the corporate limits of a city or town having a population of
42 100,000 or more. **Section 4** of this bill authorizes the Authority to provide services
43 in any area of the State if the Authority has contracted with the State or a local
44 government to provide those services in that area.
