CHAPTER.....

AN ACT relating to intoxicating liquor; authorizing a brew pub to obtain a special permit for the transportation of certain malt beverages donated by the brew pub for charitable or nonprofit purposes; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides for the regulation and taxation of intoxicating liquor in this State by the Department of Taxation. (Chapter 369 of NRS) Generally, the transportation of all liquor into or within Nevada must be performed by an authorized carrier. This includes a common carrier, a regularly operating contract carrier or a carrier having a special permit issued by the Department. A shipment of liquor that is transported into or within Nevada by an unauthorized carrier is subject to confiscation, sale at auction, destruction or disposal. (NRS 369.450, 369.460) The Department may issue a special permit authorizing the transportation of liquor within Nevada by means of a conveyance that is owned and operated by a licensed importer or another who is not a common carrier or a regularly operating contract carrier. (NRS 369.450) Existing law also provides for the licensing and operation of brew pubs in this State. (NRS 369.180, 597.230) **Section 2** of this bill authorizes a brew pub to obtain a special permit for the transportation of malt beverages which are manufactured on the premises of the brew pub and which the brew pub is donating for charitable or nonprofit purposes, while **section 1** of this bill specifies that a special permit may be issued for the transportation of liquor within Nevada by a conveyance which is owned and operated by the permittee.
