EXPLANATION – Matter in **bolded italics** is new; matter between brackets [omitted material] is material to be omitted.

AN ACT relating to education; requiring the board of trustees of each school district to administer the practice test of the high school proficiency examination to all pupils enrolled in grade 10; authorizing the principal of a high school to postpone the administration of the high school proficiency examination in the subject areas of mathematics and science for a pupil who is not academically ready in those subject areas; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

1 Under existing law, the high school proficiency examination is administered to
2 pupils enrolled in high school in the subject areas of reading, mathematics, science
3 and writing. (NRS 389.015, 389.550) Also under existing law, unless a pupil
4 satisfies certain alternative criteria, passage of the high school proficiency
5 examination in its entirety is required for receipt of a standard high school diploma.
6 (NRS 389.805) Existing administrative regulations of the State Board of Education
7 set forth the times for the administration of the high school proficiency examination
8 beginning with grade 10. (NAC 389.051) **Section 3** of this bill requires the board of
9 trustees of each school district to administer the practice test of the high school
10 proficiency examination to all pupils enrolled in grade 10 during the first month of
11 the fall semester of the school year. **Section 4** of this bill authorizes the principal of
12 a high school to postpone the administration of the high school proficiency
13 examination in the subject area of mathematics or science, or both, for a pupil
14 enrolled in grade 10 for not more than 1 year if: (1) the principal and the pupil's
15 teacher who provides instruction in the applicable subject area determine that the
16 pupil is not academically ready to take the examination, as demonstrated by the

pupil's performance on the practice test of the high school proficiency examination; and (2) the parent or legal guardian of the pupil agrees in writing that the pupil is not academically ready for that subject area of the examination. If the administration of the examination is postponed, the pupil's academic plan for high school must be revised to ensure that: (1) the pupil is enrolled in or scheduled to enroll in the appropriate course work to prepare the pupil for the subject area of the high school proficiency examination which was postponed; and (2) the pupil participates in the statewide program to prepare pupils for the high school proficiency examination or enrolls in a course of study offered by the board of trustees of the school district designed to assist pupils with passing the high school proficiency examination.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 388.205 is hereby amended to read as follows:

388.205 1. The board of trustees of each school district shall adopt a policy for each public school in the school district in which ninth grade pupils are enrolled to develop a 4-year academic plan for each of those pupils. The academic plan must set forth the specific educational goals that the pupil intends to achieve before graduation from high school. The plan may include, without limitation, the designation of a career pathway and enrollment in dual credit courses, career and technical education courses, advanced placement courses and honors courses.

2. The policy must require each pupil enrolled in ninth grade and the pupil's parent or legal guardian to:

(a) Work in consultation with a school counselor to develop an academic plan for the pupil;

(b) Sign the academic plan; and

(c) Review the academic plan at least once each school year in consultation with a school counselor and revise the plan if necessary.

3. If a pupil enrolls in a high school after ninth grade, an academic plan must be developed for that pupil with appropriate modifications for the grade level of the pupil.

4. *If the administration of the high school proficiency examination in the subject area of mathematics or science, or both, is postponed for a pupil pursuant to section 4 of this act, the pupil's academic plan must be revised in consultation with the pupil's teacher who provides instruction in the applicable subject area and the pupil's parent or legal guardian as set forth in section 4 of this act.*

5. An academic plan for a pupil must be used as a guide for the pupil and the parent or legal guardian of the pupil to plan, monitor and manage the pupil's educational and occupational development

1 and make determinations of the appropriate courses of study for the
2 pupil. If a pupil does not satisfy all the goals set forth in the
3 academic plan, the pupil is eligible to graduate and receive a high
4 school diploma if the pupil otherwise satisfies the requirements for a
5 diploma.

6 **Sec. 2.** Chapter 389 of NRS is hereby amended by adding
7 thereto the provisions set forth as sections 3 and 4 of this act.

8 **Sec. 3.** *1. The board of trustees of each school district shall*
9 *administer the practice test of the high school proficiency*
10 *examination, as prescribed by the Department, to all pupils*
11 *enrolled in grade 10 in the school district during the first month of*
12 *the fall semester of the school year.*

13 *2. If a pupil transfers to a high school in this State from a*
14 *school outside of this State after the practice test is administered*
15 *pursuant to subsection 1, the principal of the high school to which*
16 *the pupil transfers shall ensure that the pupil takes the practice*
17 *test of the high school proficiency examination within the first*
18 *month of the pupil's transfer to determine the placement of the*
19 *pupil in the appropriate courses of study at the high school.*

20 **Sec. 4.** *1. The principal of a high school may postpone, for*
21 *not more than 1 year, the administration of the high school*
22 *proficiency examination in the subject area of mathematics or*
23 *science, or both, for a pupil enrolled in grade 10 at the high school*
24 *if:*

25 *(a) The principal and the pupil's teacher who provides*
26 *instruction in the applicable subject area determine that the pupil*
27 *is not academically ready to take the high school proficiency*
28 *examination in the subject area of mathematics or science, based*
29 *upon the pupil's performance in the subject area on the practice*
30 *test of the high school proficiency examination administered*
31 *pursuant to section 3 of this act; and*

32 *(b) The parent or legal guardian of the pupil agrees in writing*
33 *with the determination of the principal and the teacher that the*
34 *pupil is not academically ready to take the high school proficiency*
35 *examination in the subject area of mathematics or science, or*
36 *both.*

37 *2. If the administration of the mathematics or science subject*
38 *area of the high school proficiency examination is postponed for a*
39 *pupil pursuant to subsection 1, the principal of the school shall*
40 *provide the pupil and his or her parent or legal guardian a copy of*
41 *the informational pamphlet concerning the high school*
42 *proficiency examination developed by the Department pursuant to*
43 *NRS 389.0173.*

44 *3. If the administration of the mathematics or science subject*
45 *area of the high school proficiency examination is postponed for a*

pupil pursuant to subsection 1, the academic plan of the pupil developed pursuant to NRS 388.205 must be revised to:

(a) Ensure that the pupil is enrolled in or scheduled to enroll in the course work necessary to prepare the pupil to take, not later than 1 year after the postponement is made, the subject area of the high school proficiency examination for which the examination is postponed; and

(b) Require the pupil to participate in the statewide program to prepare pupils for the high school proficiency examination established pursuant to NRS 389.0175 or enroll in the course of study designed to assist pupils with passing the high school proficiency examination prescribed by the State Board pursuant to NRS 389.045, or both.

4. On or before July 1 of each year, the board of trustees of each school district shall submit a report to the Department and the Legislative Committee on Education indicating:

(a) The number of pupils for whom the administration of the high school proficiency examination is postponed in the immediately preceding school year; and

(b) A notation indicating whether the administration was postponed for the subject area of mathematics or science, or both.

Sec. 5. NRS 389.015 is hereby amended to read as follows:

389.015 1. The board of trustees of each school district shall administer examinations in all public schools of the school district. The governing body of a charter school shall administer the same examinations in the charter school. The examinations administered by the board of trustees and governing body must determine the achievement and proficiency of pupils in:

(a) Reading;

(b) Mathematics; and

(c) Science.

2. The examinations required by subsection 1 must be:

(a) Administered before the completion of grades 4, 7, 10 and 11 ~~H~~, *except for a pupil enrolled in grade 10 for whom the administration of the high school proficiency examination in the subject area of mathematics or science, or both, is postponed pursuant to section 4 of this act.*

(b) Administered in each school district and each charter school at the same time during the spring semester. The time for the administration of the examinations must be prescribed by the State Board.

(c) Administered in each school in accordance with uniform procedures adopted by the State Board. The Department shall monitor the compliance of school districts and individual schools with the uniform procedures.

(d) Administered in each school in accordance with the plan adopted pursuant to NRS 389.616 by the Department and with the plan adopted pursuant to NRS 389.620 by the board of trustees of the school district in which the examinations are administered. The Department shall monitor the compliance of school districts and individual schools with:

(1) The plan adopted by the Department; and

(2) The plan adopted by the board of trustees of the applicable school district, to the extent that the plan adopted by the board of trustees of the school district is consistent with the plan adopted by the Department.

(e) Scored by a single private entity that has contracted with the State Board to score the examinations. The private entity that scores the examinations shall report the results of the examinations in the form and by the date required by the Department.

3. Not more than 14 working days after the results of the examinations are reported to the Department by a private entity that scored the examinations, the Superintendent of Public Instruction shall certify that the results of the examinations have been transmitted to each school district and each charter school. Not more than 10 working days after a school district receives the results of the examinations, the superintendent of schools of each school district shall certify that the results of the examinations have been transmitted to each school within the school district. Except as otherwise provided in this subsection, not more than 15 working days after each school receives the results of the examinations, the principal of each school and the governing body of each charter school shall certify that the results for each pupil have been provided to the parent or legal guardian of the pupil:

(a) During a conference between the teacher of the pupil or administrator of the school and the parent or legal guardian of the pupil; or

(b) By mailing the results of the examinations to the last known address of the parent or legal guardian of the pupil.

➤ If a pupil fails the high school proficiency examination, the school shall notify the pupil and the parents or legal guardian of the pupil of each subject area that the pupil failed as soon as practicable but not later than 15 working days after the school receives the results of the examination.

4. If a pupil fails to demonstrate at least adequate achievement on the examination administered before the completion of grade 4, 7 or 10, the pupil may be promoted to the next higher grade, but the results of the pupil's examination must be evaluated to determine what remedial study is appropriate. If such a pupil is enrolled at a school that has failed to make adequate yearly progress or in which

* A B 2 9 0 *

1 less than 60 percent of the pupils enrolled in grade 4, 7 or 10 in the
2 school who took the examinations administered pursuant to this
3 section received an average score on those examinations that is at
4 least equal to the 26th percentile of the national reference group of
5 pupils to which the examinations were compared, the pupil must, in
6 accordance with the requirements set forth in this subsection,
7 complete remedial study that is determined to be appropriate for the
8 pupil.

9 5. Except as otherwise provided in subsection 6, if a pupil fails
10 to pass the high school proficiency examination, the pupil must not
11 be graduated unless he or she:

12 (a) Is able, through remedial study, to pass the proficiency
13 examination; or

14 (b) Passes the subject areas of mathematics and reading tested
15 on the proficiency examination, has at least a 2.75 grade point
16 average on a 4.0 grading scale and satisfies the alternative criteria
17 prescribed by the State Board pursuant to NRS 389.805,

18 but the pupil may be given a certificate of attendance, in place of
19 a diploma, if the pupil has reached the age of 18 years.

20 6. A pupil who transfers during grade 12 to a school in this
21 State from a school outside this State because of the military transfer
22 of the parent or legal guardian of the pupil may receive a waiver
23 from the requirements of subsection 5 if, in accordance with the
24 provisions of NRS 392C.010, the school district in which the pupil
25 is enrolled:

26 (a) Accepts the results of the exit or end-of-course examinations
27 required for graduation in the local education agency in which the
28 pupil was previously enrolled;

29 (b) Accepts the results of a national norm-referenced
30 achievement examination taken by the pupil; or

31 (c) Establishes an alternative test for the pupil which
32 demonstrates proficiency in the subject areas tested on the high
33 school proficiency examination, and the pupil successfully passes
34 that test.

35 7. The State Board shall prescribe standard examinations of
36 achievement and proficiency to be administered pursuant to
37 subsection 1. The high school proficiency examination must include
38 the subjects of reading, mathematics and science and, except for the
39 writing portion prescribed pursuant to NRS 389.550, must be
40 developed, printed and scored by a nationally recognized testing
41 company in accordance with the process established by the testing
42 company. The examinations on reading, mathematics and science
43 prescribed for grades 4, 7 and 10 must be selected from
44 examinations created by private entities and administered to a
45 national reference group, and must allow for a comparison of the

1 achievement and proficiency of pupils in grades 4, 7 and 10 in this
2 State to that of a national reference group of pupils in grades 4, 7
3 and 10. The questions contained in the examinations and the
4 approved answers used for grading them are confidential, and
5 disclosure is unlawful except:

6 (a) To the extent necessary for administering and evaluating the
7 examinations.

8 (b) That a disclosure may be made to a:

9 (1) State officer who is a member of the Executive or
10 Legislative Branch to the extent that it is necessary for the
11 performance of his or her duties;

12 (2) Superintendent of schools of a school district to the
13 extent that it is necessary for the performance of his or her duties;

14 (3) Director of curriculum of a school district to the extent
15 that it is necessary for the performance of his or her duties; and

16 (4) Director of testing of a school district to the extent that it
17 is necessary for the performance of his or her duties.

18 (c) That specific questions and answers may be disclosed if the
19 Superintendent of Public Instruction determines that the content of
20 the questions and answers is not being used in a current examination
21 and making the content available to the public poses no threat to the
22 security of the current examination process.

23 (d) As required pursuant to NRS 239.0115.

24 **Sec. 6.** This act becomes effective on July 1, 2011.
