

Assembly Bill No. 348—Assemblymen Ohrenschall, Sherwood, Munford; Aizley, Carlton, Carrillo, Daly, Diaz, Flores, Hansen, Hardy, Hickey, Kite, Pierce and Segerblom

## CHAPTER.....

AN ACT relating to estates; revising provisions governing the apportionment of federal transfer taxes upon the death of a person; and providing other matters properly relating thereto.

### **Legislative Counsel's Digest:**

Existing law requires that upon the death of a person, if the person's estate is insufficient to pay all federal gift taxes or federal generation-skipping transfer taxes due, the unpaid tax must be paid on a pro rata basis by those persons receiving the transfers which triggered the tax in the proportion that the value of the property, interest or benefit of each such person bears to the total value of the property subject to the federal tax, unless the donor or decedent provided otherwise in writing. (NRS 150.400) This bill provides that notwithstanding such provisions of law relating to the apportionment of federal transfer taxes upon the death of a person: (1) such provisions must not be construed to allow the apportionment or enforcement of the collection of any tax to the extent such tax has not been paid and the collection thereof is no longer enforceable under applicable federal law; and (2) a recipient of a transfer is not required to pay tax in an amount that exceeds the value of the property received by the recipient or the maximum amount payable by the recipient under federal law, whichever is less.
