AN ACT relating to unincorporated towns; requiring the election of the members of certain town advisory boards in a county whose population is 700,000 or more; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

1 Under existing law, the board of county commissioners of a county whose
2 population is 700,000 or more (currently Clark County), when enacting an
3 ordinance to establish an unincorporated town, may choose to either appoint the
4 members of the town advisory board or to allow the registered voters of the
5 unincorporated town to elect the members of the town advisory board. (NRS
6 269.576) This bill requires the members of a town advisory board for an
7 unincorporated town that is in a county whose population is 700,000 or more
8 (currently Clark County) and that is located 25 miles or more from an incorporated
9 city whose population is 500,000 or more (currently Las Vegas) to be elected by the
10 registered voters of the unincorporated town.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 **Section 1.** NRS 269.563 is hereby amended to read as follows:
2 269.563 1. The board of county commissioners of a county
3 whose population is ~~400,000~~ **700,000** or more may provide by
4 ordinance for the formation of an unincorporated town in an area

1 that contains no residents if all of the owners of land within the
2 boundaries of the proposed unincorporated town so request in
3 writing. The written request of the owners must include the
4 statement that the owners consent to be taxed for the services to be
5 listed in the ordinance. If any owner withdraws his or her consent
6 before adoption of the ordinance creating the unincorporated town,
7 the owner's property must be excluded in fixing the boundaries of
8 the town.

9 2. The ordinance must contain clear designation of the
10 boundaries of the unincorporated town and the boundaries of any
11 area which may be annexed into the unincorporated town, a listing
12 of services to be provided, the number of members to serve on the
13 town advisory board and the conditions that must be satisfied before
14 appointment *or election* of the first town advisory board. These
15 conditions may include, without limitation, the number of residents,
16 the level of services being provided and the extent of improvements
17 in place.

18 **Sec. 2.** NRS 269.576 is hereby amended to read as follows:

19 269.576 1. Except as appointment *or election* may be

(b) Advise the board of county commissioners on matters of importance to the unincorporated town and its residents.

5. The board of county commissioners may provide by ordinance for compensation for the members of the town advisory board.

If there are fewer qualified electors who are residents of the unincorporated town who file for election to the town advisory board than there are seats on the town advisory board, the board of county commissioners shall appoint as many new members as are necessary to fill the seats left vacant after the election.
