

Assembly Bill No. 420–Assemblyman Stewart

CHAPTER.....

AN ACT relating to the Nevada National Guard; providing for the confidentiality of personal information in certain documents recorded with a county recorder by a member of the Nevada National Guard; revising provisions governing the termination of employment of a member of the Nevada National Guard; prohibiting a member of the Nevada National Guard from being served a summons for, or notice of, a civil action or administrative proceeding against him or her during certain periods; postponing such an action or proceeding during certain periods; providing for a preference for certain employment with the government of this State for members of the Nevada National Guard; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law provides for the protection of personal information in recorded documents and for the access to such personal information by specified persons upon the death of the person whose personal information is at issue. (NRS 239B.030, 247.090) **Section 1** of this bill expressly provides for the confidentiality of personal information of a member of the Nevada National Guard contained in specified documents recorded with a county recorder, and allows access to that personal information by certain authorized persons.

Existing law prohibits the termination of the employment of a member of the Nevada National Guard and provides for the member’s reinstatement after termination if the termination is because of certain active duty or service by the member. (NRS 412.139, 412.1395) **Sections 2 and 3** of this bill expand this prohibition against termination and this right of reinstatement to cover situations in which the termination of employment is because of the member’s participation in required training, duty and meetings.

Existing law prohibits the arrest on civil process of a member of the Nevada National Guard while the member is at a location for military duty or traveling to or from that location. (NRS 412.154) **Section 4** of this bill: (1) prohibits the serving of a summons for, or notice of, a civil action or administrative proceeding against a member of the Nevada National Guard during any period in which the member assembles for training or participates in field training, active duty training or active service, or travels to or from that duty, service or training; and (2) stays (postpones) the civil action or administrative proceeding against the member during that same period.

Existing law provides a preference in hiring for certain public employment for veterans of the Armed Forces of the United States. (NRS 284.260) **Section 5** of this bill provides a similar preference for members of the Nevada National Guard.
