

Assembly Bill No. 46—Committee on Taxation

CHAPTER.....

AN ACT relating to taxation; clarifying the inapplicability of certain partial abatements of property taxes to various assessments relating to the adjudication of water rights and management of water resources; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires a partial abatement of property taxes. (NRS 361.4722, 361.4723, 361.4724) Under existing law, a board of county commissioners is required to cause certain assessments relating to water resources to be levied on real property, including the court costs which may be assessed against the participants in certain proceedings for the adjudication of water rights, the budgetary expenses of certain stream systems or water districts which may be assessed against the property served, and the salaries of well supervisors and other assistants employed by the State Engineer which may be assessed against the property in certain groundwater basins. (NRS 533.190, 533.285, 534.040) This bill clarifies that the assessments relating to water resources are not subject to those partial abatements of property taxes.
