

CHAPTER.....

AN ACT relating to education; authorizing the Board of Regents of the University of Nevada to request an allocation from the Contingency Fund to cover a projected shortfall in the Trust Fund for the Education of Dependent Children; providing that money in the Trust Fund does not revert to the State General Fund; making an appropriation; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, the Board of Regents of the University of Nevada is required, to the extent of legislative appropriation, to pay certain fees and expenses associated with undergraduate classes taken at a school within the Nevada System of Higher Education by dependent children of a police officer, firefighter or officer of the Nevada Highway Patrol killed in the line of duty or of a volunteer ambulance driver or attendant while engaged as such. These fees and expenses are paid from the Trust Fund for the Education of Dependent Children, which also receives money from gifts and grants. (NRS 396.545) **Section 1** of this bill requires the Board of Regents to estimate each fiscal year the amount of money in the Trust Fund that is available in that fiscal year for payment of such fees and expenses and the anticipated amount of such payments for that fiscal year. If, as a result of this estimation, there is a projected shortfall in the Trust Fund for the fiscal year, the Board of Regents is authorized to request an allocation from the Contingency Fund to cover the shortfall. The Interim Finance Committee is authorized under existing law to make allocations from the Contingency Fund: (1) for emergency use to supplement regular legislative appropriations which fail to cover unforeseen expenses; (2) to meet expenses pursuant to the requirements of a law; or (3) as provided by specific statute. (NRS 353.266)

Section 1 also provides that money in the Trust Fund does not revert to the State General Fund at the end of a fiscal year, but instead remains in the Trust Fund. **Section 2** of this bill makes an appropriation from the State General Fund to the Trust Fund of \$25,000.
