

CHAPTER.....

AN ACT relating to governmental financial administration; delaying the commencement of certain transfers to the Fund to Stabilize the Operation of the State Government; revising the provisions governing the rate and calculation of the payroll tax imposed on certain businesses other than financial institutions; requiring the deposit of certain fees imposed on the short-term lease of passenger cars into the State General Fund; extending the prospective expiration of certain requirements regarding the imposition and advance payment of certain taxes and fees; requiring the transfer of money from the Fund to Stabilize the Operation of the State Government to the State General Fund; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

The Fund to Stabilize the Operation of the State Government, also known as the Rainy Day Fund, is a special revenue fund into which surplus state revenues are deposited to be used in case of fiscal emergencies. Under existing law, the State Controller is required to transfer from the State General Fund to the Fund to Stabilize the Operation of the State Government at the beginning of each fiscal year that begins on or after July 1, 2011, 1 percent of the total anticipated revenue projected for that fiscal year by the Economic Forum in May of odd-numbered years, as adjusted by any legislation enacted by the Legislature that affects state revenue for that fiscal year. (NRS 353.288) **Sections 1 and 10** of this bill delay the commencement of those transfers until July 1, 2013.

Section 16 of this bill requires the State Controller to transfer a sum of money from the Fund to Stabilize the Operation of the State Government to the State General Fund.

Existing law imposes an excise tax on certain businesses other than financial institutions at the rate of 0.5 percent of the total wages paid by the business each calendar quarter that do not exceed \$62,500 and 1.17 percent of those wages paid in excess of \$62,500. (NRS 363B.110) On July 1, 2011, this rate is scheduled to change to 0.63 percent of the total wages paid by the business each calendar quarter. (Chapter 395, Statutes of Nevada 2009, pp. 2190, 2199) **Section 4** of this bill revises that rate change until June 30, 2013, to impose no tax on the wages paid by the business each calendar quarter that do not exceed \$62,500 and to impose the tax at the rate of 1.17 percent of the total wages paid by the business each calendar quarter in excess of \$62,500.

Under existing law, a short-term lessor of passenger cars is required to collect from its customers a governmental services fee of 10 percent of the adjusted total amount of each lease, and to remit the fee to the Department of Taxation. Of the amount remitted to the Department, 90 percent must be deposited in the State General Fund and 10 percent must be deposited in the State Highway Fund. (NRS 482.313) **Section 6** of this bill instead requires the deposit of all of that amount into the State General Fund.

Existing law requires, until June 30, 2011, the advance payment of the tax on the net proceeds of minerals based upon the estimated net proceeds and royalties of a mining operation for the current calendar year. (Chapter 4, Statutes of Nevada

2008, 25th Special Session, pp. 15-18, 23) **Sections 7, 8, 9 and 11** of this bill delay the expiration of this requirement for advance payment until June 30, 2013.

Existing law imposes an annual fee of \$200 for a state business license. (NRS 76.100, 76.130) On July 1, 2011, this fee is scheduled to change to \$100. (Chapter 429, Statutes of Nevada 2009, pp. 2408-10) **Section 10.3** of this bill delays this change until July 1, 2013.

Existing law requires, until June 30, 2011, an increase in the rate of the Local School Support Tax of 0.35 percent. (Chapter 395, Statutes of Nevada 2009, pp. 2191, 2199) **Section 10.7** of this bill delays the expiration of this increase until June 30, 2013.

(b) If the Legislature, or the Interim Finance Committee if the Legislature is not in session, and the Governor declare that a fiscal emergency exists.

6. The State Board of Examiners shall consider a request made pursuant to subsection 5 and shall, if it finds that a transfer should be made, recommend the amount of the transfer to the Interim Finance Committee for its independent evaluation and action. The Interim Finance Committee is not bound to follow the recommendation of the State Board of Examiners.

7. If the Interim Finance Committee finds that a transfer recommended by the State Board of Examiners should and may lawfully be made, the Committee shall by resolution establish the amount and direct the State Controller to transfer that amount to the State General Fund. The State Controller shall thereupon make the transfer.
