AN ACT relating to elections; revising the legislative districts from which the members of the Senate and Assembly are elected; revising the districts from which Representatives in the Congress of the United States are elected; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 5 of Article 4 of the Nevada Constitution provides that it is the mandatory duty of the Legislature at its first session after the taking of the decennial census, to: (1) fix by law the number of Senators and the number of members of the Assembly; (2) determine the boundaries of the legislative districts; and (3) apportion the number of the members of the Senate and Assembly in each district. Section 13 of Article 1 of the Nevada Constitution provides that representation shall be apportioned according to population. Finally, Section 13 of Article 15 of the Nevada Constitution requires that the decennial census serve as the basis of representation in both Houses of the Legislature.

Sections 2-65 of this bill revise the boundaries of the 21 Senate Districts and the 42 Assembly Districts by designating the blocks, block groups and census tracts that comprise each of those districts based upon the data from the Twenty-third United States Census, known as Census 2010.

Section 2 of Article I of the United States Constitution provides that congressional representatives must be apportioned among the several states according to population. The apportionment of the number of congressional representatives is based upon the decennial census. Currently, Nevada is apportioned three congressional representatives and, based upon the results of Census 2010, is apportioned a fourth congressional representative. **Section 66** of this bill describes the boundaries of the new fourth congressional district by

designating the blocks, block groups and census tracts that comprise the fourth congressional district. **Sections 70-72** of this bill revise the boundaries of the existing three congressional districts by designating the blocks, block groups and census tracts that comprise each of those congressional districts.

Section 74 of this bill provides that the 11 Senators who were elected on November 2, 2010, shall serve out the term of office for which they were elected by representing the district to which they were elected through November 6, 2012, and representing the corresponding new Senate District established by **sections 2-22** of this bill from November 7, 2012, until the expiration of their current term of office.

Under existing law, a person shall not use the term "reelect" in any material, statement or publication supporting the election of a candidate unless the candidate: (1) was elected to the identical office with the same district number in the most recent election to fill that office; and (2) is serving and has served continuously in that office from the beginning of the term to which the candidate was elected. (NRS 294A.330) **Section 75** of this bill provides that notwithstanding this prohibition on the use of the term "reelect," each Senator who was elected on November 4, 2008, and serves continuously in that office may use the term "reelect" in the 2012 General Election when running for the Senate from the same new corresponding Senate District if he or she is otherwise qualified for election to that office. **Section 75** also provides that the members of the Assembly whose districts were combined pursuant to the provisions of this bill may use the term "reelect" in the 2012 General Election if those members run for election to the newly combined district.

Section 76 of this bill provides that at the general election in 2012, one member of the Senate must be elected to a term of 4 years to the open seat in the newly created Senate District 15.

Section 78 of this bill provides that **sections 2-65** of this bill, which revise the boundaries of the Assembly and Senate Districts, become effective on January 1, 2012, for the purpose of filing for office and for nominating and electing members of the newly revised Senate and Assembly Districts, and for all other purposes on November 7, 2012, the day after the 2012 General Election and the first day of the new terms. **Section 78** also provides that **sections 66-72** of this bill, which revise the boundaries of the Congressional Districts, become effective on January 1, 2012, for the purpose of filing for office and for nominating and electing the members of the newly revised Congressional Districts, and for all other purposes on January 3, 2013, when the members of the United States House of Representatives take office.
