EXPLANATION – Matter in *bolded italics* is new; matter between brackets ~~omitted material~~ is material to be omitted.

AN ACT relating to elections; revising the districts from which members of the State Board of Education are elected; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

The members of the State Board of Education are elected by the voters of this State. (NRS 385.021) **Sections 3-12** of this bill revise the boundaries of the 10 Districts from which the members of the State Board of Education are elected by designating the blocks, block groups and census tracts that comprise each of those Districts based upon the data from the Twenty-third United States Census, known as Census 2010.

Section 13 of this bill provides that the members of the State Board of Education who were elected on November 2, 2010, shall serve out the term of office for which they were elected by representing the District to which they were elected through January 7, 2013, and representing the corresponding new Districts established by **sections 3-12** from January 8, 2013, until the expiration of their current term of office.

Under existing law, a person shall not use the term “reelect” in any material, statement or publication supporting the election of a candidate unless the candidate: (1) was elected to the identical office with the same district number in the most recent election to fill that office; and (2) is serving and has served continuously in that office from the beginning of the term to which the candidate was elected. (NRS 294A.330) **Section 14** of this bill provides that notwithstanding this prohibition on the use of the term “reelect,” the members who currently serve on the State Board of Education and serve continuously in those offices may use the term “reelect” in the applicable general election when running for the District from the same new corresponding District if he or she is otherwise qualified for election to that office.

Section 16 of this bill provides that **sections 3-12**, which revise the boundaries of the Districts from which the members of the State Board of Education are

25 elected, become effective on January 1, 2012, for the purpose of filing for office
26 and for nominating and electing members of the newly revised Districts, and for all
27 other purposes on January 8, 2013.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 **Section 1.** The Legislature hereby finds and declares that:

2 1. The United States Supreme Court has found the preservation
3 of the boundaries of political subdivisions as a rational state policy
4 to justify an overall range of more than 10 percent in a redistricting
5 plan. *Mahan v. Howell*, 410 U.S. 315 (1973); *Brown v. Thomson*,
6 462 U.S. 835 (1983); *Voinovich v. Quilter*, 507 U.S. 146 (1993).

7 2. In this State, the boundaries of the 17 school districts are
8 coterminous with the 17 counties.

9 3. The State Board of Education establishes the statewide
10 policies and standards for public schools in this State and each of
11 those 17 county school districts is required under law to implement
12 and enforce those policies and standards.

13 4. In drawing the districts from which members of the State
14 Board of Education are elected, the Legislature maintained to the
15 extent possible whole county school districts within the State Board
16 of Education Districts to create a more streamlined process for the
17 communication of those policies and standards to county school
18 districts. Creating State Board of Education Districts that include
19 entire counties or which are entirely created within a single county
20 also facilitates communication regarding those policies and
21 standards between residents of the county school district and the
22 member who is the representative of the entire school district on the
23 State Board or the members on the State Board whose districts are
24 entirely within a county.

25 5. Unlike the districts of members of the Legislature and
26 members of the Board of Regents of the University of Nevada,
27 maintenance of the integrity of political subdivisions in drawing the
28 districts for members of the State Board of Education is a
29 significant, justifiable goal because of the unique fact that in this
30 State the boundaries of each school district are aligned with the
31 boundaries of a county.

32 **Sec. 2.** NRS 385.017 is hereby amended to read as follows:

Sec. 15. 1. The Legislature recognizes that:

* A B 5 7 3 *

(a) NRS 0.020 provides for the severability of the provisions of the Nevada Revised Statutes, including, without limitation, sections 2 to 12, inclusive, of this act;

(b) NRS 0.020 does not expressly provide for the severability of transitory provisions contained in the Statutes of Nevada, including, without limitation, sections 1 and 13 to 16, inclusive, of this act;

(c) The various provisions of this act are intertwined to the extent that it may appear that the various provisions are inseparable; and

(d) Each district within the plan set forth in this act is subject to challenge and possible close scrutiny under state and federal law by the state and federal courts.

2. It is the intent of the Legislature that each district within the plan set forth in this act should remain effective regardless of the result of any court challenge to any other district within the same plan. To effectuate this intent, given the circumstances set forth in subsection 1, the Legislature sets forth the severability clause set forth in subsection 3.

3. If any provision of this act or the application thereof to any person, thing or circumstance is held invalid, the invalidity does not affect the provisions or application of this act that can be given effect without the invalid provision or application, and to this end the provisions of this act are severable.

Sec. 16. 1. This section and sections 1 and 15 of this act become effective upon passage and approval.

2. Sections 13 and 14 of this act become effective on January 1, 2012.

3. Sections 2 to 12, inclusive, of this act become effective on January 1, 2012, for the purpose of filing for office and for nominating and electing members of the State Board of Education, and on January 8, 2013, for all other purposes.
