Legislative Counsel's Digest:

Under existing law, the Legislative Counsel is required to keep the
organizational structure of the Nevada Revised Statutes current, and the Legislative
Counsel may revise the titles, chapters and sections of the Nevada Revised Statutes
when necessary to effectuate the orderly and logical arrangement of the statutes.
(NRS 220.120) In addition, the Legislative Counsel may make recommendations to
the Legislature regarding the clarification of existing statutes and the revision or
elimination of obsolete and antiquated statutes. (NRS 220.080, 220.085)

Following the 2009 Legislative Session, title 17 of NRS, which contains
provisions relating to the Legislative Department of the State Government, was
reorganized to improve and enhance the orderly and logical arrangement of the
statutes. This bill supplements the reorganization of title 17 of NRS by clarifying
existing provisions, adding new provisions and revising and eliminating obsolete
and antiquated provisions relating to the Legislative Department of the State
Government.
