AN ACT relating to substance abuse; creating the Substance Abuse Working Group temporarily within the Office of the Attorney General to study issues relating to substance abuse in this State; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

1 In 2007, the Governor established by executive order the Working Group on
2 Methamphetamine Use in Nevada. The Working Group was charged with studying
3 the impact of methamphetamine use in this State, including its impact on law
4 enforcement, correctional facilities, social services and community services, and
5 with preparing a report of its findings and recommendations. The 2007 Working
6 Group completed the report of its findings and recommendations. Since then, the
7 Governor has provided for the continuation of the Working Group by amending the
8 original executive order in 2008 and again in 2009. The current Working Group
9 continues until December 31, 2010.

10 **Section 2** of this bill creates a Substance Abuse Working Group within the

14 the other nine members, who serve without compensation and are not entitled to per
15 diem or travel expenses. **Section 3** of this bill requires the Working Group to hold
16 meetings at least every 3 months. **Section 4** of this bill specifies issues for the
17 Working Group to study and requires the Working Group to submit a report of its
