

Assembly Bill No. 66—Committee on Judiciary

CHAPTER.....

AN ACT relating to crimes; requiring written notice concerning a person's right to bear arms to be given to the person when his or her criminal records are sealed; authorizing the State Board of Pardons Commissioners to inquire into and inspect certain sealed records of a person who applies to the Board for a pardon; requiring the official document that is given to a person who is granted a pardon to include certain information concerning the person's right to bear arms; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, if a court orders the sealing of a person's criminal record, the person's right to vote, right to hold office and right to serve on a jury are immediately restored to the person if those rights have not previously been restored. (NRS 179.285) However, the sealing of the record does not restore the person's right to bear arms. Existing law prohibits a person who has been convicted of a felony from owning or possessing a firearm unless the person has received a pardon and the pardon does not restrict his or her right to bear arms. (NRS 202.360) **Section 1** of this bill requires that upon the sealing of a person's criminal records, the person be given a written notice informing the person that his or her right to bear arms is not restored, unless the person has received a pardon and the pardon does not restrict the person's right to bear arms.

Existing law authorizes certain agencies and persons to inquire into and inspect certain criminal records which have been sealed. (NRS 179.301) **Section 2** of this bill authorizes the State Board of Pardons Commissioners, which consists of the Governor, justices of the Nevada Supreme Court and the Attorney General, to inquire into and inspect certain sealed criminal records of a person who applies to the Board for a pardon.

Under existing law, if a person is granted a full, unconditional pardon by the State Board of Pardons Commissioners, all civil rights are restored to the person. (NRS 213.090) **Section 3** of this bill clarifies that those civil rights include, without limitation, the right to bear arms. Further, existing law requires that a person who is granted a pardon by the Board be given an official document which provides that the person has been granted a pardon. (NRS 213.090) **Section 3** requires that the official document explicitly state that the person's right to bear arms is restored if that right is restored to the person.
