(BDR 11-116)

FISCAL NOTE: Effect on Local Government: No.

EXPLANATION – Matter in ***bolded italics*** is new; matter between brackets **[omitted material]** is material to be omitted.

AN ACT relating to domestic relations; providing that the termination of parental rights does not terminate the right of a child to inherit from his or her parent or parents **[H] except under certain circumstances;** and providing other matters properly relating thereto.

---

**Legislative Counsel's Digest:**

Under existing law, upon finding grounds for the termination of parental rights, a court is required to make a written order judicially: (1) depriving the parent or parents of the custody and control of the child; (2) terminating the parental rights of the parent or parents with respect to the child; and (3) placing the custody and control of the child in some person or agency qualified by the laws of this State to provide services and care to children, or to receive any children for placement. (NRS 128.110) **Section 2** of this bill provides that the termination of parental rights does not terminate the right of the child to inherit from his or her parent or parents **[H] except that the right to inherit terminates if the child is adopted.** **Section 1** of this bill makes a corresponding technical change by amending the definition of “parent and child relationship” to delete the reference to the right of inheritance and clarify that the termination of parental rights, which severs the “parent and child relationship,” does not thereby terminate the right of the child to inherit from his or her parent or parents.
