Legislative Counsel's Digest:

Under existing law, an appointing authority may dismiss or demote a permanent classified employee if the appointing authority considers that the dismissal or demotion will serve the good of the public service, and the appointing authority may suspend a permanent employee without pay for disciplinary purposes for up to 30 days. (NRS 284.385) The employee may then request a hearing to determine whether the dismissal, demotion or suspension was reasonable. (NRS 284.390)

~~Section 1 of this bill requires an appointing authority to provide appropriate training, warnings and notice of a policy and of the procedure for disciplinary action before taking disciplinary action against an employee. Section 1 also requires the appointing authority to assign one supervisor to conduct a fact finding investigation and a second supervisor to determine whether substantial evidence of the allegation exists based on the investigation, if the accused employee disputes the allegation that would form the basis of a disciplinary action. Section 1.5 of this bill requires an appointing authority to provide each employee of the appointing authority with a copy of a policy approved by the Personnel Commission that explains certain information relating to disciplinary action. Section 2 of this bill requires an appointing authority to consult with the Attorney General or, if the appointing authority is part of the Nevada System of Higher Education, its general counsel, regarding any proposed disciplinary action before imposing the disciplinary action. Section 3 of this bill requires certain investigations relating to disciplinary action against a public employee to be completed within 90 days after the employee is given notice of the allegations or investigation and provide for an extension of that time period.~~
