EXPLANATION – Matter in ***bolded italics*** is new; matter between brackets [~~omitted material~~] is material to be omitted.

AN ACT relating to administrative procedure; exempting the judicial review of decisions of the Public Utilities Commission of Nevada from the requirements of the Nevada Administrative Procedure Act; revising provisions governing the procedure for the judicial review of decisions of the Commission; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that the provisions of chapter 703 of NRS that relate to the judicial review of decisions of the Public Utilities Commission of Nevada prevail over the general provisions of the Nevada Administrative Procedure Act, which is contained in chapter 233B of NRS. (NRS 233B.039) ~~This~~ Section 1 of this bill removes that existing provision and instead provides that the provisions of the Nevada Administrative Procedure Act do not apply to the judicial review of decisions of the Commission.

Existing law also sets forth provisions relating to the procedure for the judicial review of decisions of the Commission. (NRS 703.373) Section 1.7 of this bill revises various provisions relating to that procedure and: (1) requires a party seeking judicial review to exhaust all administrative remedies before the party is entitled to seek judicial review of a final decision of the Commission; (2) specifies certain periods in which certain documents must be filed with the court and served upon the parties involved in the judicial review; and (3) provides that a final decision of the Commission is deemed reasonable and lawful until reversed or set aside in whole or in part by the court.
