AN ACT relating to gaming; authorizing the Nevada Gaming Commission to adopt regulations relating to the issuance of a preliminary finding of suitability; revising provisions relating to investigations and the initiation of complaints by the State Gaming Control Board; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes the Nevada Gaming Commission to require a finding of suitability of a person under certain circumstances. (NRS 463.162) **Section 1** of this bill authorizes the Commission to adopt regulations relating to the issuance of a preliminary finding of suitability.

Existing law requires the State Gaming Control Board to make investigations and to initiate a hearing by filing a complaint with the Commission if the Board is satisfied that a license, registration, finding of suitability, pari-mutuel license or prior approval by the Commission of any transaction for which approval was required or permitted should be limited, conditioned, suspended or revoked. (NRS 463.310) **Section 2** of this bill clarifies that the Board may, after an investigation, initiate a hearing by filing a complaint with the Commission if the Board is satisfied that a person or entity which is licensed, registered, found suitable or found preliminarily suitable or which previously obtained approval for which Commission approval was required or permitted should be fined.

SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:
