AN ACT relating to escrow accounts; requiring that certain disbursements of money from escrow accounts be payable in United States currency; **requiring that certain disbursements of money from escrow accounts be disbursed in accordance with federal law governing next-day availability of such money;** and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

Existing law governs the disbursement of money held in escrow relating to certain transactions and prohibits disbursements from an escrow account on the same business day as the money is deposited unless the deposit is made in certain forms which allow for the immediate withdrawal of the money. (NRS 645A.171) This bill requires certain disbursements which are available on the same business day as that on which the money is deposited to be payable in United States currency. **This bill also requires that money in an escrow account which is accorded next-day availability be disbursed in accordance with all applicable federal laws.**
