Legislative Counsel's Digest:

Existing law provides that each teacher and administrator who is employed by a school district in this State must serve a 2-year probationary period, unless the second year of the probationary period is waived by the superintendent of schools of the school district or the superintendent's designee. A probationary employee who completes his or her probationary period and receives a notice of reemployment from the school district becomes a postprobationary employee in the ensuing year of employment. (NRS 391.3197) Existing law also provides that a postprobationary teacher or administrator must be evaluated at least once each year. (NRS 391.3125, 391.3127) **Section 1** of this bill provides that a postprobationary teacher or administrator who receives an unsatisfactory evaluation for 2 consecutive years shall be deemed to be a probationary employee and must serve an additional probationary period. **Section 4** of this bill provides that the provisions of **section 1** do not apply if superseded by the terms of a collective bargaining agreement. **Section 5 of this bill authorizes a teacher or administrator who is deemed to be a probationary employee pursuant to section 1 and who receives notice that he or she will be dismissed before the completion of the current school year to request an expedited hearing pursuant to the expedited hearing procedures established by the American Arbitration Association.**
