Legislative Counsel's Digest:

Under existing law, ~~certain~~ persons are exempt from obtaining a driver's license or permit to operate a vehicle on a highway in this State. This exemption includes, without limitation, any person while temporarily driving a road machine, farm tractor or implement of husbandry on a highway. (NRS 483.240) Section 7 of this bill revises the circumstances under which the person may claim such an exemption by requiring the person to ensure that: (1) a policy of liability insurance which includes a certain amount of coverage for bodily injury and property damage is in effect; (2) a decal issued by the Department of Motor Vehicles is attached to the road machine, farm tractor or implement of husbandry; and (3) during the period in which the person drives the road machine, farm tractor or implement of husbandry on the highway, an emblem for slow moving vehicles is displayed on the road machine, farm

11 tractor or implement of husbandry, the vehicular hazard warning lamps for the road machine,
12 farm tractor or implement of husbandry are displayed or any other warning device required by
13 the Department is displayed on the road machine, farm tractor or implement of husbandry.
14 Section 1 of this bill authorizes a person who wishes to obtain a decal exempting him or her
15 from obtaining a license to operate a road machine, farm tractor or implement of husbandry on
16 a highway to submit a notice of that fact to the Department. Such a notice must include a fee
17 of \$20 and evidence satisfactory to the Department that the person is the holder of a policy of
18 liability insurance which includes a certain amount of coverage for bodily injury and property
19 damage. Section 1 requires the decal to be displayed on the road machine, farm tractor or
20 implement of husbandry in the manner specified by the Department and every owner of a
21 motor vehicle, trailer or semitrailer that is intended to be operated upon any highway in
22 this State is required, before operating the motor vehicle, trailer or semitrailer, to apply
23 to the Department of Motor Vehicles to register the motor vehicle, trailer or semitrailer.
24 (NRS 482.205) Existing law exempts an implement of husbandry from the registration
25 requirement if the implement of husbandry is temporarily drawn, moved or otherwise
26 propelled upon a highway. (NRS 482.210) This bill authorizes a person who is an
27 agricultural user and who wishes to obtain a license plate and decal to operate a farm
28 tractor or motorized implement of husbandry on the highways of this State to submit an
29 application to the Motor Carrier Division of the Department of Motor Vehicles. An
30 “agricultural user” is defined to mean a person who owns or operates a farm tractor or
31 motorized implement of husbandry for a certain type of agricultural use. This bill
32 requires the Department to issue a license plate and decal for the farm tractor or
33 motorized implement of husbandry as soon as practicable after the Department receives
34 the application, applicable fee and appropriate evidence of insurance. This bill also
35 authorizes an agricultural user to submit an application for the renewal of a license plate
36 and decal for a farm tractor or motorized implement of husbandry. An application for
37 renewal must include the applicable fee and appropriate evidence of insurance. Finally,
38 this bill authorizes the Department to issue a new license plate or decal for a farm tractor
39 or motorized implement of husbandry if the license plate or decal is lost or destroyed.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 Section 1. Chapter ~~482~~ 482 of NRS is hereby amended by adding thereto a
2 new section to read as follows:

Notwithstanding any provision of this chapter to the contrary:

I. Any [person] agricultural user who wishes to obtain a [decal exempting
