51 coverage defined in this chapter as respects bodily injury and death or property
52 damage, or both, and is subject to all the provisions of this chapter.

12 agreement between the insurance carrier and the insured after the occurrence of the
13 injury or damage. No statement made by the insured or on behalf of the insured and
14 no violation of the policy defeats or voids the policy.

15 (b) The satisfaction by the insured of a judgment for injury or damage is not a
16 condition precedent to the right or duty of the insurance carrier to make payment on
17 account of the injury or damage.

18 (c) The insurance carrier may settle any claim covered by the policy, and if
19 such a settlement is made in good faith, the amount thereof is deductible from the
20 limits of liability specified in paragraph ~~(b)~~ (c) of subsection 1.

21 (d) The policy, the written application therefor, if any, and any rider or
22 endorsement which does not conflict with the provisions of this chapter constitute
23 the entire contract between the parties.

24 6. Any policy which grants the coverage required for a motor vehicle liability
25 policy may also grant any lawful coverage in excess of or in addition to the
26 coverage specified for a motor vehicle liability policy, and the excess or additional
27 coverage is not subject to the provisions of this chapter.

28 7. Any motor vehicle liability policy may provide for the prorating of the
29 insurance thereunder with other valid and collectible insurance.

30 8. The requirements for a motor vehicle liability policy may be fulfilled by
31 the policies of one or more insurance carriers, which policies together meet those
32 requirements.

33 9. Any binder issued pending the issuance of a motor vehicle liability policy
34 shall be deemed to fulfill the requirements for such a policy.
