Legislative Counsel's Digest:

In addition, **section 2** imposes an annual conservation fee of \$5 for residents and \$10 for nonresidents on any person who wishes to access a wildlife management area but is not the holder of a hunting, trapping, fishing or combined hunting and fishing license. **Section 2** also provides that, each year, not more than ~~25~~ **18** percent of the money ~~may~~ **credited to** the Wildlife Obligated Reserve Account **from any revenue received from those conservation fees** may be used to monitor wildlife and its habitat for the purposes of wildlife habitat rehabilitation and restoration. **Section 3** of this bill revises the authority of the Board of Wildlife Commissioners concerning the use of a wildlife management area by a person who pays the annual conservation fee.
