AN ACT relating to state employees; eliminating the required payment of a state employee at the rate of time and one-half for working on a holiday; continuing the temporary suspension of the semiannual payment of longevity pay and merit pay increases for state employees; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

1 Existing law provides, in addition to paying state employees on state holidays, for  
2 payment at the rate of time and one-half for employees who work on a holiday. (NAC  
3 284.256) **Section 1** of this bill eliminates this premium for working on a holiday.  
4 Existing law provides for a plan to encourage continuity of service in State Government,  
5 under which semiannual payments are made to state employees rated standard or better with 8  
6 years or more of continuous service, commonly known as "longevity pay." (NRS 284.177)  
7 Existing law also provides for state employees who are rated standard or better and have not  
8 attained the top step of their grade to receive a merit pay increase annually. (NRS 284.175,  
9 284.335; NAC 284.194) Those semiannual payments and merit pay increases were  
10 temporarily suspended by the Legislature in 2009 for the 2009-2011 biennium. (Chapter 276,  
11 Statutes of Nevada 2009, p. 1164-65, as amended by chapter 465, Statutes of Nevada 2009, p.  
12 2642-43) **Section 5** of this bill continues the suspension of those payments and increases for  
13 the next 2 fiscal years.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN  
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 **Section 1.** NRS 284.180 is hereby amended to read as follows:  
2 284.180 1. The Legislature declares that since uniform salary and wage  
3 rates and classifications are necessary for an effective and efficient personnel  
4 system, the pay plan must set the official rates applicable to all positions in the  
5 classified service, but the establishment of the pay plan in no way limits the

1 authority of the Legislature relative to budgeted appropriations for salary and wage  
2 expenditures.

3 2. Credit for overtime work directed or approved by the head of an agency or  
4 the representative of the head of the agency must be earned at the rate of time and  
5 one-half, except for those employees described in NRS 284.148.

6 3. Except as otherwise provided in subsections 4, 6, 7 and 9, overtime is  
7 considered time worked in excess of:

8 (a) Eight hours in 1 calendar day;

9 (b) Eight hours in any 16-hour period; or

10 (c) A 40-hour week.

11 4. Firefighters who choose and are approved for a 24-hour shift shall be  
12 deemed to work an average of 56 hours per week and 2,912 hours per year,  
13 regardless of the actual number of hours worked or on paid leave during any  
14 biweekly pay period. A firefighter so assigned is entitled to receive 1/26 of the  
15 firefighter's annual salary for each biweekly pay period. In addition, overtime must  
16 be considered time worked in excess of:

17 (a) Twenty-four hours in one scheduled shift; or

18 (b) Fifty-three hours average per week during one work period for those hours  
19 worked or on paid leave.

20 ➤ The appointing authority shall designate annually the length of the work period  
21 to be used in determining the work schedules for such firefighters. In addition to the  
22 regular amount paid such a firefighter for the deemed average of 56 hours per  
23 week, the firefighter is entitled to payment for the hours which comprise the  
24 difference between the 56-hour average and the overtime threshold of 53 hours  
25 average at a rate which will result in the equivalent of overtime payment for those  
26 hours.

27 5. The Commission shall adopt regulations to carry out the provisions of  
28 subsection 4.

29 6. For employees who choose and are approved for a variable workday,  
30 overtime will be considered only after working 40 hours in 1 week.

31 7. Employees who are eligible under the Fair Labor Standards Act of 1938,  
32 29 U.S.C. §§ 201 et seq., to work a variable 80-hour work schedule within a  
33 biweekly pay period and who choose and are approved for such a work schedule  
34 will be considered eligible for overtime only after working 80 hours biweekly,  
35 except those eligible employees who are approved for overtime in excess of one  
36 scheduled shift of 8 or more hours per day.

37 8. An agency may experiment with innovative workweeks upon the approval  
38 of the head of the agency and after majority consent of the affected employees. The  
39 affected employees are eligible for overtime only after working 40 hours in a  
40 workweek.

41 9. This section does not supersede or conflict with existing contracts of  
42 employment for employees hired to work 24 hours a day in a home setting. Any  
43 future classification in which an employee will be required to work 24 hours a day  
44 in a home setting must be approved in advance by the Commission.

45 10. All overtime must be approved in advance by the appointing authority or  
46 the designee of the appointing authority. No officer or employee, other than a  
47 director of a department or the chair of a board, commission or similar body, may  
48 authorize overtime for himself or herself. The chair of a board, commission or  
49 similar body must approve in advance all overtime worked by members of the  
50 board, commission or similar body.

51 11. The Budget Division of the Department of Administration shall review all  
52 overtime worked by employees of the Executive Department to ensure that  
53 overtime is held to a minimum. The Budget Division shall report quarterly to the

1 State Board of Examiners the amount of overtime worked in the quarter within the  
2 various agencies of the State.

3 *12. A state employee is entitled to his or her normal rate of pay for working*  
4 *on a legal holiday unless the employee is entitled to payment for overtime*  
5 *pursuant to this section and the regulations adopted pursuant thereto. This*  
6 *payment is in addition to any payment provided for by regulation for ~~working~~*  
7 *~~on~~ a legal holiday.*

8 **Sec. 2.** (Deleted by amendment.)

9 **Sec. 3.** (Deleted by amendment.)

10 **Sec. 4.** (Deleted by amendment.)

11 **Sec. 5.** 1. The four semiannual payments to which a state employee would  
12 otherwise be entitled pursuant to NRS 284.177 must not be made during the period  
13 beginning on July 1, 2011, and ending on June 30, 2013. For the purposes of  
14 payments made pursuant to NRS 284.177 on or after July 1, 2013, any service  
15 during that 2-year period must be considered in determining the length of  
16 continuous service of an employee, but an employee is not entitled to semiannual  
17 payments that would otherwise have been made during the period during which the  
18 semiannual payments are suspended.

19 2. No merit pay increases to which a state employee would otherwise be  
20 entitled pursuant to chapter 284 of NRS and the regulations adopted pursuant  
21 thereto may be granted during the period beginning on July 1, 2011, and ending on  
22 June 30, 2013. For the purposes of merit pay increases granted on or after July 1,  
23 2013, an employee is not entitled to any increases that would otherwise have been  
24 granted during that period.

25 **Sec. 6.** This act becomes effective on July 1, 2011.
