AN ACT relating to substance abuse; creating the Substance Abuse Working Group temporarily within the Office of the Attorney General to study issues relating to substance abuse in this State; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

In 2007, the Governor established by executive order the Working Group on Methamphetamine Use in Nevada. The Working Group was charged with studying the impact of methamphetamine use in this State, including its impact on law enforcement, correctional facilities, social services and community services, and with preparing a report of its findings and recommendations. The 2007 Working Group completed the report of its findings and recommendations. Since then, the Governor has provided for the continuation of the Working Group by amending the original executive order in 2008 and again in 2009. The current Working Group continues until December 31, 2010.

Section 2 of this bill creates a ~~permanent~~ Substance Abuse Working Group within the Office of the Attorney General to study similar issues with respect to substance abuse generally in this State ~~until June 30, 2015~~. Section 2 also provides that the Attorney General serves as the ex officio Chair of the Working Group and appoints the other nine members, who serve without compensation and are not entitled to per diem or travel expenses. Section 3 of this bill requires the Working Group to hold meetings at least every 3 months. Section 4 of this bill specifies issues for the Working Group to study and requires the Working Group to submit a report of its findings and recommendations to each regular session of the Legislature.
