AN ACT relating to wildlife; revising the civil penalties for unlawfully killing or possessing certain big game mammals and other wildlife and for hunting, fishing or trapping without a valid license, tag or permit; requiring the Board of Wildlife Commissioners to adopt regulations for the taking of antlers naturally shed by big game mammals; ~~requiring the Commission to fix a price for the commercial taking of shed antlers;~~ and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law imposes certain civil penalties against a person for unlawfully killing or possessing big game mammals, bobcats, swans, eagles or other fish or wildlife and for hunting, fishing or trapping without a license. (NRS 501.3855) Section 1 of this bill imposes a similar civil penalty against a person for unlawfully killing or possessing a trophy big game mammal in an amount that is not less than \$5,000 or more than \$30,000. Section 1 also imposes a civil penalty against a person for unlawfully killing or possessing a moose and revises the maximum civil penalty for which a person is liable for hunting, fishing or trapping without a license, tag or permit. The revised maximum amount of that civil penalty is changed from \$250 to the amount of the fee for the required license, tag or permit for the activity in which the person engaged.

Existing law requires the Board of Wildlife Commissioners to establish broad policies for the management of wildlife in this State and to adopt regulations to carry out the provisions of title 45 of NRS governing wildlife in this State. (NRS 501.181) Existing law also prohibits a person from selling, bartering, trading or purchasing the parts of any species of wildlife except as otherwise provided in that title or in a regulation adopted by the Commission. (NRS 501.379) ~~This~~ Section 2 of this bill requires the Commission to adopt regulations for the ~~commercial and noncommercial~~ taking of antlers which have been naturally shed by any big game mammal in this State. ~~This~~ bill allows a person who possesses a valid Nevada hunting license or permit to take shed antlers for a noncommercial purpose without paying a fee. If a person wishes to take shed antlers but does not possess a license or permit to hunt in this State, this bill requires the Commission to issue the person a permit for a fee not to exceed \$10. Finally, this bill requires the Commission to fix a price which does not exceed \$1,500 for the commercial taking of shed antlers.
