**Legislative Counsel’s Digest:**

**Section 1** of this bill requires the Investigation Division of the Department of Public Safety to provide to the Legislative Committee on Health Care a copy of the annual report concerning the distribution and abuse of controlled substances.

(NRS 453.1545) **Section 2** of this bill authorizes the Board and the Division to enter into a written agreement with an appropriate agency in another state to provide, receive or exchange information obtained from Nevada’s computerized system with a similar system to track prescriptions for controlled substances in that state. **Section 2** also provides immunity from criminal and civil liability for certain persons who, ~~(in good faith,)~~ **with reasonable care,** provide to the Division or Board reports or information related to the computerized system.
