AN ACT relating to guardianships; requiring, under certain circumstances, a guardian who is appointed for a ward who is a beneficiary of the Department of Veterans Affairs to handle certain other money payable to the ward in the same manner as money payable by the Department of Veterans Affairs; revising the limitation on the number of such wards for whom a guardian may serve; revising provisions relating to the compensation of a guardian of such a ward; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law sets forth the general procedures for the appointment of a guardian for a ward, the powers and duties of a guardian and the allowable compensation for a guardian’s services. (Chapter 159 of NRS) Existing law, the Uniform Veterans’ Guardianship Act, sets forth specific procedures for the appointment of a guardian for a ward who is a beneficiary of the Department of Veterans Affairs, the powers and duties of such a guardian and the allowable compensation for such a guardian’s services. (Chapter 160 of NRS)

Section 1 of this bill requires a guardian for a ward who is a beneficiary of the Department of Veterans Affairs to handle any money payable to the ward from a source other than the Department of Veterans Affairs in the same manner as money payable to the ward by the Department of Veterans Affairs unless doing so would be inconsistent with federal law.

Under existing law it is unlawful, with certain exceptions, for a person to accept appointment as a guardian of a ward who is a beneficiary of the Department of Veterans Affairs if the person is at the time serving as guardian for five such wards. (NRS 160.040) Section 2 of this bill: (1) increases from 5 to 10 the number of wards who are beneficiaries of the Department of Veterans Affairs for whom a guardian may serve; (2) deletes the existing exception which allows a guardian to serve more than five such wards if the wards are all members of the same family; and (3) provides an exception which allows a guardian to serve more than 10 such wards if the Department of Veterans Affairs authorizes the person to do so.

Section 3 of this bill decreases the allowable compensation for a guardian of a ward who is a beneficiary of the Department of Veterans Affairs from 5 percent to 4 percent of the

22 income of the ward during any year. ~~Section 3~~ also removes the authority of the court to
 23 authorize the payment of additional compensation to such guardians for extraordinary
 24 services.
