AN ACT relating to traffic laws; prohibiting a person from using a cellular telephone or other handheld wireless communications device while operating a motor vehicle in certain circumstances; providing penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing traffic laws of this State, it is a crime to engage in various activities while operating a motor vehicle or to operate a motor vehicle in a reckless or unsafe manner. (Chapters 484A-484E of NRS) **Section 1** of this bill makes it a crime for a person to manually type or enter text into a cellular telephone or other similar device, or to send or read data using any such device, while operating a motor vehicle. **Section 1** further prohibits a person from using such a device for voice communications unless the device is used with an accessory which allows the person to communicate without using his or her hands, with certain limited exceptions. **Section 1** provides an exception to the prohibitions when the cellular telephone or other device is used by certain emergency and law enforcement personnel and persons designated by a sheriff or chief of police or the Director of the Department of Public Safety who are acting within the course and scope of their employment. Additional exceptions apply if: (1) the person is using the cellular telephone or other device to report or request assistance relating to a medical emergency, a safety hazard or criminal activity; (2) the person is responding to a situation requiring immediate action and stopping the vehicle would be inadvisable, impractical or dangerous; ~~for~~ (3) the person is a licensed amateur radio operator providing communications services in connection with a disaster or emergency, participating in a drill, test, or other exercise in preparation for a disaster or emergency or otherwise communicating public information ~~or~~ **; or (4) the person is an employee or contractor of a public utility and is responding to an emergency dispatch.** A violation of the provisions added by **section 1** is a misdemeanor and punishable by a fine of \$50 for a first offense within the immediately preceding 7 years, \$100 for a second offense within the immediately preceding 7 years and \$250 for a third or subsequent offense within the immediately

preceding 7 years. However, **section 4** of this bill provides that until January 1, 2012, a law enforcement officer must not issue a citation to a person for violating **section 1** but must give the person a verbal or written warning. **Section 1** further provides that a first offense will not be treated as a moving traffic violation. Additionally, if a person is convicted of a third or subsequent offense, in addition to the fine, the driver's license of the person will be suspended for 6 months. **Section 2** of this bill makes the enhanced penalty for certain traffic violations that occur in a temporary traffic control zone applicable to violations of these new crimes.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:
