AN ACT relating to food establishments; ~~requiring a food processing establishment that processes or otherwise prepares wholesale food to comply with nationally recognized guidelines for the manufacturing and processing of food; providing for~~ **allowing a health authority to require** the testing of ~~such processed~~ food **processed or otherwise prepared by a food processing establishment** under certain circumstances; requiring ~~the recording and review of~~ records of the test results **to be maintained and the results to be reported if contamination is indicated;** providing a penalty; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

1 Existing law sets forth provisions governing the regulation of food establishments,  
2 including, without limitation, establishments that manufacture or process food intended for  
3 human consumption. (Chapter 446 of NRS) Existing law also requires that such provisions be  
4 enforced by the officers and agents of the Health Division of the Department of Health and  
5 Human Services and the officers and agents of the local boards of health. (NRS 446.050,  
6 446.940) This bill **(1) requires a food processing establishment that processes or otherwise**  
7 **prepares wholesale food intended for human consumption to comply with nationally**  
8 **recognized guidelines for the manufacturing and processing of food; (2) authorizes the health**  
9 **authority, under certain circumstances, to require that the food processed or otherwise**  
10 **prepared in such establishments be tested for the presence of certain contaminants. (3)**  
11 **The bill further** requires that the cost of the testing be paid by the establishments. **(4) and**  
12 **requires that the testing be conducted in accordance with nationally recognized laboratory**  
13 **standards. (5) Finally, this bill** requires **records of the results of any tests to be retained**  
14 **for at least 2 years and requires** timely reporting to the health authority if the testing  
15 indicates contamination. **(6) requires the recording and review of test results.)**

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN  
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1        **Section 1.** Chapter 446 of NRS is hereby amended by adding thereto a new  
2 section to read as follows:

3        ***1. A food processing establishment shall comply with nationally recognized  
4 guidelines for the manufacturing and processing of food, including, without  
5 limitation:***

6        ***(a) Identifying hazards from biological, chemical, physical and radiological  
7 sources;***

8        ***(b) Establishing and carrying out preventive controls to:***

9        ***(1) Minimize significantly the contamination of food; or***

10        ***(2) Prevent hazards from contaminating food; and***

11        ***(c) Verifying that preventive controls are effectively minimizing or  
12 preventing the contamination of food through the use of:***

13        ***(1) Programs for environmental testing;***

14        ***(2) Programs for the testing of products; or***

15        ***(3) Other appropriate means.***

16        ***2. Except as otherwise provided in this subsection, whenever the health  
17 authority determines there are reasonable grounds to suspect that the food  
18 processed or otherwise prepared by a food processing establishment may  
19 constitute a substantial health hazard, the health authority may require that the  
20 food processing establishment have its food tested for the presence of ~~any~~  
21 contaminants ~~that are typically associated with the suspected health hazard. When~~  
22 ~~carrying out the provisions of this subsection, the health authority shall comply~~  
23 ~~with the Federal Food Safety Modernization Act, 21 U.S.C. 2201, et seq., and any~~  
24 ~~regulations adopted pursuant thereto. The provisions of this subsection do not~~  
25 ~~apply to the extent that a food processing establishment is under investigation for~~  
26 ~~the same purpose pursuant to federal law.~~***

27        ***3. If the health authority requires pursuant to subsection ~~2.1~~ 1 that the  
28 food processed or otherwise prepared by a food processing establishment be  
29 tested:***

30        ***(a) The food processing establishment:***

31        ***(1) Is responsible for the cost of the testing; and***

32        ***(2) May perform such testing itself or cause the testing to be performed  
33 by a third party.***

34        ***(b) The testing must be conducted in a manner that is consistent with  
35 nationally recognized laboratory standards.***

36        ***4. Records of the results of any tests conducted pursuant to this section  
37 must be retained by the food processing establishment to which the tests pertain  
38 for a period of not less than 2 years. The food processing establishment shall,  
39 upon request, make those records available to the health authority for its review.***

40        ***5. 6. If testing required pursuant to subsection ~~4.1~~ 1 indicates that the  
41 food processed or otherwise prepared by a food processing establishment is  
42 contaminated, the person or entity that conducted the testing shall, within 24  
43 hours after obtaining the test results, report those test results to the health  
44 authority.***

45        ***7. As used in this section:***

46        ***(a) "Food processing establishment" means a commercial establishment  
47 which processes or otherwise prepares and packages wholesale food for human  
48 consumption. The term includes, without limitation, establishments that process:***
