AN ACT relating to crimes; revising various provisions governing graffiti offenses; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law generally provides that a person who unlawfully places graffiti on or otherwise defaces public or private property is guilty of a misdemeanor, gross misdemeanor or felony, depending on the value of the loss of the property. Additionally, if a person commits more than one offense pursuant to a scheme or continuing course of conduct, the value of the loss of all the property must be aggregated for the purposes of determining a penalty if the value of the loss is \$5,000 or more. (NRS 206.330) **Section 1** of this bill revises this provision and requires aggregation when the value of the loss is ~~\$250~~ \$500 or more. **Section 1** also provides that a person who commits an offense on any ~~designated historical~~ protected site in this State is guilty of a category C felony.

Existing law also requires a person who unlawfully places graffiti on or otherwise defaces public or private property to pay a monetary fine and perform community service. (NRS 206.330) **Section 1** specifies that in addition to any other fine or penalty imposed, a court may order such a person to pay restitution. **Section 1 also provides that a person convicted of a third offense must perform up to 300 hours of community service for up to a year cleaning up, repairing, replacing or keeping clean of graffiti the property damaged or destroyed by the person or another specified property.**

Section 2 of this bill also authorizes a court to order ~~such~~ a person **who unlawfully places graffiti on or otherwise defaces public or private property** to ~~(1)~~ (1) clean up, repair or replace the damaged property or keep such property or another specified property free of graffiti for up to 1 year; and (2) participate in counseling, and if the person is less than 18 years of age, order the parent or legal guardian of the person to attend or participate in counseling. **Section 2** further authorizes the owner of public or private property that has been damaged by graffiti to bring a civil action against the person who damaged the property. The property owner may be awarded damages in an amount up to three times the cost of restoring the property, in addition to attorney's fees and costs.
