EXPLANATION – Matter in ***bolded italics*** is new; matter between brackets **[omitted material]** is material to be omitted.

AN ACT relating to motor vehicles; revising provisions relating to enforcement of weight limits on vehicles; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

1 Existing law provides for the enforcement of weight limits on vehicles by specially
2 trained members of the Nevada Highway Patrol, inspectors of the Department of Motor
3 Vehicles and the Department of Public Safety, and to certain law enforcement personnel in
4 counties whose population is 100,000 or more (currently Clark and Washoe Counties). The
5 authorized law enforcement personnel, if they have reason to believe that the weight of a
6 vehicle and load is unlawful, may require the driver to stop and submit to a weighing of the
7 vehicle. (NRS 484D.675) This bill authorizes such a stop only if the officer has a reasonable
8 suspicion that the vehicle is being operated unlawfully by reason of its weight. **[¶ , but**
9 **clarifies that such reasonable suspicion is not required with respect to the weighing of a**
10 **vehicle which is conducted without requiring the driver to stop the vehicle or leave the**
11 **roadway.]** This bill **also** eliminates the restriction on enforcement of **[these provisions]** weight
12 **limits** by local law enforcement officers in less populated counties but specifies that the
13 authority of the law enforcement officers and inspectors is limited to enforcement within their
14 own jurisdiction. **[This] Finally, this** bill **[also]** revises the training requirements for such
15 officers.

3. An officer of the Nevada Highway Patrol, a category I peace officer or an inspector upon weighing a vehicle and load as provided in subsection 2 who determines that the weight is unlawful may require the driver to stop in a suitable place and remove such portion of the load as may be necessary to reduce the gross weight of the vehicle to those limits permitted under NRS 484D.630 to 484D.680, inclusive. All materials so unloaded must be cared for by the carrier of the material and at the carrier's expense. The officer of the Nevada Highway Patrol, category I peace officer or inspector may allow the driver of the inspected vehicle to continue on his or her journey if any overload does not exceed by more than 5 percent the limitations prescribed by NRS 484D.630 to 484D.680, inclusive, but the penalties provided in NRS 484D.680 must be imposed for the overload violation.
