**Legislative Counsel's Digest:**

Under existing law, when a city in a county whose population is **[400,000] 700,000** or more (currently Clark County) annexes territory, that territory and its inhabitants and property become subject to the debts, laws, ordinances and regulations of the city and are entitled to the same privileges and benefits as other parts of the city. Additionally, the territory is subject to the municipal taxes of the city levied for the fiscal year following the date of annexation. (NRS 268.598)
