S.B. No. 449—Revises provisions governing tuition charges, registration fees and other fees assessed against students in the Nevada System of Higher Education. (BDR 34-932)

SENATE BILL NO. 449—COMMITTEE ON FINANCE

MARCH 28, 2011

Referred to Committee on Education

SUMMARY—Revises provisions governing tuition charges, registration fees and other fees assessed against students in the Nevada System of Higher Education. (BDR 34-932)

FISCAL NOTE: Effect on Local Government: No.
Effect on the State: Yes.

~

EXPLANATION – Matter in ***bolded italics*** is new; matter between brackets **[omitted material]** is material to be omitted.

AN ACT relating to the Nevada System of Higher Education; authorizing the Board of Regents of the University of Nevada to fix tuition charges and assess registration fees and other fees based on the demand for or the costs of providing the academic program or major for which the tuition charges are fixed or the registration fees are assessed; requiring the Board of Regents to establish a program authorizing scholarships **and** reduced fees **[and tuition and forgiveness of student loans]** for students who are economically disadvantaged under certain circumstances; requiring the Board of Regents to make certain reports to the Legislature; **: under certain circumstances;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes the Board of Regents of the University of Nevada to fix tuition charges for students at all campuses of the Nevada System of Higher Education. The tuition charges are in addition to any registration fees or other fees assessed against a student. (NRS 396.540) **This** **Section 2 of this** bill authorizes the Board of Regents, in fixing tuition charges and assessing registration fees and other fees, to adjust the amount of the tuition charges and registration and other fees based on the demand for or the costs of carrying out the academic program or major for which the tuition charges or registration or other fees are assessed. The adjustment may be based on factors such as the cost of professional instruction, the cost of laboratory resources and ancillary costs. **This bill Section 2 also** provides that if the Board of Regents adjusts the amount of tuition charges, registration fees or other fees based on the demand for or the cost of an academic program or major, the Board is required to establish a program to authorize scholarships **and** reduced fees **[and tuition and forgiveness of student loans]** for students who are economically disadvantaged and who are enrolled in academic programs or majors which are more costly as a result of the adjustments authorized by this bill. **This bill Finally, section 2** requires the Board of Regents to submit an annual report to the Director of the Legislative Counsel Bureau for transmittal to the Legislature, or to the Legislative Commission if the Legislature is not in session, which identifies the demand for and the costs of each academic program and major and includes a schedule of all tuition charges, registration fees and other fees assessed for each academic program and major.

21 Section 3 of this bill requires the Board of Regents to submit a biennial report to the
22 Legislature including certain information on: (1) the number and percentage of students
23 who complete academic programs at an institution within the System with a degree or
24 certificate and a comparison with national statistics; (2) initiatives undertaken by the
25 Board of Regents to increase the rate of students who complete academic programs with
26 a degree or certificate; (3) based upon surveys of students, the employment rate of
27 students who complete a degree or certificate program and the average starting salary;
28 and (4) initiatives undertaken by the Board of Regents to align the degree and certificate
29 programs offered by institutions within the System with the economic development goals
30 identified by the Commission on Economic Development.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 **Section 1.** Chapter 396 of NRS is hereby amended by adding thereto [a new
2 section to read as follows:] the provisions set forth as sections 2 and 3 of this act.

3 **Sec. 2. 1.** *In fixing a tuition charge for students at any campus of the
4 System as provided by NRS 396.540 and in setting the amount of registration fees
5 and other fees which are assessed against students, the Board of Regents may
6 provide for the adjustment of the amount of the tuition charge or registration fee
7 or other fee based on the demand for or the costs of carrying out the academic
8 program or major for which the tuition charge, registration fee or other fee is
9 assessed, including, without limitation, the costs of professional instruction,
10 laboratory resources and other ancillary support.*

11 **2.** *If the Board of Regents provides for the adjustment of tuition charges,
12 registration fees or other fees in the manner authorized by subsection 1, the
13 Board of Regents shall establish a program to authorize scholarships [+] and
14 reduced fees [and tuition and the forgiveness of student loans] for students who
15 are economically disadvantaged and who are enrolled in academic programs or
16 majors for which the adjustment of tuition charges, registration fees or other fees
17 in the manner authorized by subsection 1 results in an increase in the costs of
18 enrollment in such programs or majors.*

19 **3.** *If the Board of Regents provides for the adjustment of tuition charges,
20 registration fees or other fees in the manner authorized by subsection 1, the
21 Board of Regents shall, on or before February 1 of each year, submit a written
22 report to the Director of the Legislative Counsel Bureau for transmittal to the
23 Legislature, or to the Legislative Commission if the Legislature is not in session,
24 which must, without limitation:*

- 25 (a) *Identify the demand for each academic program and major;*
- 26 (b) *Identify the costs of providing each academic program and major; and*
- 27 (c) *Include a schedule of all tuition charges, registration fees and other fees
assessed for each academic program and major.*

28 **4.** *As used in this section, "tuition charge" has the meaning ascribed to it in
29 NRS 396.540.*

30 **Sec. 3.** *The Board of Regents shall, on or before February 1 of each odd-
31 numbered year submit a written report to the Director of the Legislative Counsel
32 Bureau for transmittal to the next regular session of the Legislature which
33 includes:*

- 34 **I.** *By institution within the System and by each academic program at the
35 institution:*
 - 36 (a) *The number of students who enter the academic program;*
 - 37 (b) *The percentage of students who complete the academic program; and*

1 (c) The average length of time for completion of the academic program to
2 obtain a degree or certificate.

3 2. A comparison of the data which is reported pursuant to subsection 1 with
4 available national metrics measuring how states throughout the country rank in
5 the completion of academic programs leading to a degree or certificate and the
6 average time for completion of those programs.

7 3. Initiatives undertaken by the Board of Regents to increase the rate of
8 students who complete degree and certificate programs, including initiatives to
9 shorten the time to complete those programs.

10 4. Based upon surveys of students who have completed an academic
11 program and obtained a degree or certificate, the number and percentage of
12 students who have obtained employment within their field of study, and the
13 average starting salary, which must be reported by institution within the System
14 and by each academic program at the institution. The data must be matched with
15 industries identified in state economic development goals to determine whether
16 students who graduated and obtained a degree or certificate are finding
17 employment in those industries.

18 5. Initiatives undertaken by the Board of Regents to align the degree and
19 certificate programs offered by the institutions within the System with the
20 economic development goals identified by the Commission on Economic
21 Development.

22 [See. 2.] Sec. 4. This act becomes effective on July 1, 2011.
