SENATE JOINT RESOLUTION—Expressing opposition to certain ~~proposed~~ actions concerning wild horse and burro herds on federal public lands in Nevada. ~~and urging Congress to take certain actions concerning those herds.~~

1 WHEREAS, The Federal Government manages and controls approximately 87
2 percent of the land in Nevada, much of it being rangelands populated with herds of
3 wild horses and burros; and

4 WHEREAS, Those rangelands are subject to multiple uses, including livestock
5 grazing, hunting, wildlife viewing and other recreation, and as such, a healthy
6 rangeland is vital to the economic well-being of Nevada; and

7 WHEREAS, The populations of wild horses and burros, if left unmanaged,
8 double approximately every 5 years, threatening the rangelands with overgrazing
9 and placing increased pressure on the ability of the rangelands to support livestock
10 grazing and existing native species of both plants and animals; and

11 WHEREAS, Wild horses and burros are not indigenous species in the rangelands
12 but were introduced by humans, and it is thus the responsibility of humans to
13 manage the populations of wild horses and burros in the rangelands; and

14 WHEREAS, Pursuant to the provisions of the Wild Free-Roaming Horses and
15 Burros Act, 16 U.S.C. §§ 1331 et seq., the Secretary of the Interior is required to
16 manage wild free-roaming horses and burros in a manner that is designed to
17 achieve and maintain a thriving natural ecological balance on the public lands and
18 to determine appropriate management levels of wild free-roaming horses and burros
19 in a given area in such a manner as to preserve and maintain a thriving natural
20 ecological balance and multiple-use relationship in that area; now, therefore, be it

7 ~~opposition to any~~ amendments to the Wild Free-Roaming Horses and Burros Act,
8 16 U.S.C. §§ 1331 et seq., ~~or any other proposed action~~, that would, if enacted,
9 allow any growth of wild horse and burro herds in Nevada, allow the expansion of
10 wild horse and burro herd management areas in Nevada, ~~allow the creation of~~
11 ~~wild horse and burro preserves on public lands in Nevada~~ or in any other way
12 negatively impact Nevada; and be it further

13 RESOLVED, That the members of the Nevada Legislature hereby urge Congress
14 to take steps necessary to ensure that the Secretary of the Interior complies with
15 existing laws and regulations relating to wild horses and burros; and be it further

16 RESOLVED, That in complying with those laws and regulations, the Bureau of
17 Land Management is hereby urged to manage the rangelands in Nevada in a
18 manner which ensures the increased health and availability of those rangelands for
19 multiple uses; and be it further

20 RESOLVED, That the Secretary of the Senate prepare and transmit a copy of this
21 resolution to the Vice President of the United States as the presiding officer of the
