AN ACT relating to marriage; revising certain provisions relating to certificates of marriage and the solemnization of marriage; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

1 Under existing law, the county clerk may place an affidavit of application for a  
2 marriage license, a certificate of marriage and a marriage license on a single form,  
3 on the reverse of which the county clerk must have printed or stamped instructions  
4 for obtaining a certified copy or certified abstract of the certificate of marriage.  
5 (NRS 122.055) **Section 2** of this bill requires the county clerk to include on the  
6 reverse of such a form: (1) instructions for obtaining a certified copy or certified  
7 abstract of the certificate of marriage; (2) certain language explaining that the  
8 certificate is not a certified copy and that a certified copy will need to be obtained  
9 for certain legal matters; and (3) a time stamp used by the clerk to signify that the  
10 form has been filed.

11 Existing law also provides that a certificate of permission to perform marriages  
12 expires when a minister or other person who is authorized to solemnize a marriage,  
13 to whom the certificate has been issued, moves from the county in which his or her  
14 certificate was issued. (NRS 122.066) **Section 3** of this bill specifies that a  
15 certificate of permission remains valid when a minister or other person who is  
16 authorized to solemnize a marriage, who is retired and who has been issued the  
17 certificate, moves to another county in this State.
